## **Sexual Justice Democratic Citizenship And The Politics Of Desire:**

Sexual Justice Morris B. Kaplan, 2013-03-07 Sexual Justice defends a robust a robust conception of lesbian and gay rights emphasizing protection against discrimination and recognition of queer relationships and families Synthesizing materials from law philosophy psychoanalysis and literature Kaplan argues that sexual desire is central to the pursuit of happiness equal citizenship requires individual freedom to shape oneself through a variety of intimate associations **Thinking Straight** Chrys Ingraham, 2013-05-13 This collection of original essays will unravel the current heterosexual scene in two parts one on rights and privileges the other on popular culture Topics covered include weddings proms citizenship marriage penalties cartoons mermaids and myth *Sexuality and Equality Law* SuzanneB. Goldberg, 2017-07-05 Sexual rules and regulations are among society s oldest yet it is only in recent decades that this once stigmatized field has become the focus of scholarly attention This volume which includes some of the most thought provoking and hard to find essays in the field covers a diverse range of topics from sexual orientation and gender identity to intersexuality and commercial sex and from HIV AIDS and trafficking to polygamy Through historical political and critical theoretical lenses and through a global focus the selections ask how we conceptualize the groups and acts subjected to sexual regulation and how regulations in the field implicate and produce understandings of sexuality and identity By placing this variety of works together *Sexuality and Equality Law* invites fresh insights into commonalities and synergies across regulatory arenas that are often isolated from one another The volume s introduction situates all of these works in the broader field and offers readers an extensive bibliography Encyclopedia of Ethics Lawrence C. Becker, Charlotte B. Becker, 2013-10-18 The editors working with a team of 325 renowned authorities in the field of ethics have revised expanded and updated this classic encyclopedia Along with the addition of 150 new entries all of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features New entries include Cheating Dirty hands Gay ethics Holocaust Journalism Political correctness and many more **Queering Demokratie** Nicole J. Beger, 2000 Critical Sexual Literacy Gilbert Herdt, Michelle Marzullo, Nicole Polen Petit, 2021-08-03 This book is a new and exciting resource for teachers students and activists who aim to critically examine contemporary sexuality through the lens of sexual literacy and situated social analysis This original anthology provides shorter cutting edge essays on theory method and activism including the nature of globalization and local sexuality discovered in glocal topics processes and contexts These cutting edge essays inform readers of key moments in sexual history including areas relating to research practice and social policy and provide a platform from which to engage in rich discussion and forecast the development of sexual literacy in our world within multiple contexts **Shakespeare's Once and Future Child** Joseph Campana, 2024-05-06 A study of Shakespeare s child figures in relation to their own political moment as well as our own Politicians are fond of saying that children are the future How did the child become a figure for our political hopes

Joseph Campana's book locates the source of this idea in transformations of childhood and political sovereignty during the age of Shakespeare changes spectacularly dramatized by the playwright himself Shakespeare's works feature far more child figures and more politically entangled children than other literary or theatrical works of the era Campana delves into this rich corpus to show how children and childhood expose assumptions about the shape of an ideal polity the nature of citizenship the growing importance of population and demographics and the question of what is or is not human As our ability to imagine viable futures on our planet feels ever more limited and as children take up legal proceedings to sue on behalf of the future it behooves us to understand the way past child figures haunt our conversations about intergenerational justice Shakespeare offers critical precedents for questions we still struggle to answer
