## **Sexual Options For Paraplegics And Quadriplegics:**

Sexual Options for Paraplegics and Quadriplegics Thomas O. Mooney, Theodore M. Cole, Richard A. Chilgren, 1975

**Sexual Rehabilitation of the Spinal-Cord-Injured Patient** J. F. J. Leyson, 2013-03-09 G Blasius frSt described the anatomic aspects of spinal cord injury SCI in 1666 Until that time society had totally ignored the physically disabled let alone allowed them to mingle socially and sexually The military mortality rate between 1814 1914 was estimated to be 50 80% although sexual and sociocultural implications were not addressed In a 1928 novel Lady Chatterley's Lover D H Lawrence strongly reflected the sexual concerns of a paraplegic who had been labeled impotent The modern management of SCI was initiated by Monroe and Guttman in 1943 but with heavy emphasis on physical and urological rehabilitation and only superficial attention to sexual dysfunctions H W Home et al started the investigation of SCI infertility problems in 1950 It was not until 1960 that Bors and Comarr collaborated on a study that classified the types of sexual dysfunctions in relation to neurological levels of lesions following spinal cord trauma Non-disabled sexuality came of age during the past two decades This was highlighted by the 1966 publication of W Masters Human Sexual Response However the topic of sexuality in physically challenged handicapped persons remains largely taboo in our present society There are an estimated 10 12 million SCI persons worldwide In America there are approximately 1 2 1 5 million SCI victims with an annual incidence of 12 000 15 000 or one every 35 minutes The visibility of SCI persons was enhanced when the United Nations declared 1980 1990 as the decade of disabled persons Furthermore the enactment into law in July 1990 of the American Disabilities Act pointed out the handicapped person's right to the fullest pursuit of happiness Since the release in 1974 of K Heslinga's Not Made of V vi Preface Stone only a handful of books on medical sexuality for the disabled have been published This book has three major objectives 1 to provide thorough and comprehensive coverage of disabled persons' sexuality in all sexual orientations 2 to introduce new terminology and theories to redefine certain sexual dysfunctions and to describe updated treatment formats and 3 to present research and innovation that may stimulate further investigations into disabled sexuality during the next decade The first part of this book defines new sexual terminology and describes the full spectrum of sexual challenges The second half of the book deals with a variety of diagnostic and therapeutic sexual innovations AIDS implications and cosmic sexology Finally the Appendix lists international sexual referral centers and information organizations The Sex Atlas Erwin J. Haeberle, 2020-05-18 No detailed description available for The Sex Atlas **Sexuelle Störungen und ihre Behandlung** Volkmar Sigusch, 2007 Das Standardwerk Ausführliche Darstellung aller in der Praxis vorkommender Probleme Die ganze Palette der erfolgreichen Behandlungsverfahren von der einmaligen Sexualberatung über die niederfrequente Sexualtherapie bis hin zur hochfrequenten Psychoanalyse im Liegen von medizinischen Behandlungen bis hin zu deren Kombination mit Sozial oder Psychotherapie Hochkarätiges Autorenteam unter hervorragender Herausgeberschaft **Handbook of Sex Therapy** Joseph LoPiccolo, Leslie LoPiccolo, 2012-12-06 When is it timely to publish a synthesis of previously published and

original materials from a specific discipline I believe it to be timely when one has a sufficient amount of high quality material covering the critical areas of that topic when the previously published material is scattered over a wide range of journals and books and when there is no single book that synthesizes the discipline The treatment of sexual dysfunction emerged to the front lines of health delivery only during the past decade with the pioneering work of William Masters and Virginia Johnson In spite of the rash of sex clinics and sex therapists that followed precious little solid research has been conducted on the various strategies of therapy the means of assessing complex interpersonal sexual relations and the manner by which clinical change is objectively assessed No one reader can keep pace with the multitude of journals that publish key material by sophisticated investigators And no one investigator can cover these salient areas alone with his or her original work in a single volume The critical papers have now been written Ten were written specifically for this volume and thirty three have previously appeared This volume laces them together into a coherent pattern Thus the time for a synthesis in sexual dysfunction

**Spinal Cord Injuries** Roberta B. Trieschmann, 2013-10-22 Spinal Cord Injuries Psychological Social and Vocational Adjustment focuses on the process of adjustment to spinal cord injuries including rehabilitation medical intervention and examination of the daily life of persons with this kind of injury The book first discusses the consequences of spinal cord injury and rehabilitation as a behavior change process including physical symptoms of spinal cord injury rehabilitation process and treatment systems approach to the concept of adjustment and suicide and self neglect The manuscript also deals with the psychological factors in the adjustment to spinal cord injury Topics include emotional reactions at onset of spinal cord injury personality characteristics of persons with spinal cord injury and factors associated with adjustment to spinal cord injury The publication takes a look at the social factors in the adjustment to spinal cord injury as well as the social implications of disability family relationships recreation aging and task of socialization The book also reviews the variables related with productivity following spinal cord injury and sexuality and spinal cord injury The effect of the treatment environment on adjustment to spinal cord injury and therapeutics techniques are discussed The manuscript is a dependable reference for readers interested in the psychological social and productivity implications of spinal cord injuries

**The Management of High Quadriplegia** Gale G. Whiteneck, 1989 The distinguished editors of this volume are from three outstanding centers of high quadriplegia care Craig Hospital in Colorado the Santa Clara Valley Medical center in California and The Institute for Rehabilitation and Research in Texas They explore the many perspectives that must be integrated in the management of high quadriplegia in four major sections on acute care rehabilitation the process of discharge and lifetime issues Addressing the huge array of resources needed to treat these individuals and including the expertise of physicians nurses physical occupational respiratory and recreational therapists nutritionists social workers psychologists and others this book is an unrivaled compendium to help those with high quadriplegia sustain and achieve a satisfying quality of life It will be referred to constantly by all health care professionals involved in their care Sexuality

and Handicap B. Dechesne, C. Pons, A. M. C. M. Schellen, 1986      **Sexuality and Physical Disability** David G. Bullard, Susan E. Knight, 1981      Sexual Rehabilitation of the Urologic Cancer Patient Andrew C. Von Eschenbach, Dorothy B. Rodriguez, 1981      **Disabled USA.** , 1987      *Meeting the Needs of People with Disabilities* Ruth A. Velleman, 1990 A recommended resource not only for relatively inexperienced librarians educators and social service personnel but for seasoned professionals as well Library Journal      **Practical Manual of Physical Medicine and Rehabilitation** Jackson C. Tan, 2006 This text will serve as a quick reference and review for residents as well as practising physicians It also offers information needed in related professions      Unesco Features , 1981      Women and Disability Éva Zabolai-Csekme, 1981  
**Spinal Cord Injury Nursing Education** , 1983      Mental Health, Psychiatric Nursing Joan F. Norris, 1987 Written specifically with the undergraduate professional nursing student in mind here is comprehensive coverage of each phase of the nursing process from assessment and diagnosis to care and evaluation of individuals and families Its strong psychosocial approach makes the text applicable to various practice settings hospital community and psychiatric facilities It covers the theoretical basis of the profession including models of personality and intervention cultural legal and ethical issues The text addresses specific topics such as skills of communication therapeutic relationships family and group dynamics pharmacotherapy and more It explores facets of normal social attachment sexuality and development at each stage of the life cycle In addition the book addresses the role of nursing in crisis intervention and covers the relationship of DSM III categories of psychiatric disorders to the nursing profession      A Handbook on Sexuality After Spinal Cord Injury Joanne M. Taggie, M. Scott Manley, 1978      **Clinical Neurology for Psychiatrists** David Myland Kaufman, 1995 This updated and expanded 4th edition of the best selling clinical neurology text for psychiatrists provides an understanding of the neurologic knowledge that has a bearing on the practice of psychiatry      **Sexuality and Life-threatening Illness** Margot Tallmer, 1984
