Shadow Flecked Roads:

Shadow-flecked Roads Myrna Haight, 1981 The Man Who Did The Right Thing: A Romance Sir Harry Johnston, The little chapel had been so close and hot during the morning service that in spite of the interest Lucy Josling felt in the occasion it was the first appearance of her betrothed John Baines as a preacher in his native place and the delivery of his farewell sermon before starting for Africa she could not repress a sigh of relief as she detached herself from the perspiring throng of worshippers and stood for a few moments in the bright sunlight inhaling the perfume of distant hayfields You look a trifle pale Lucy said Mr Baines senior a stumpy red faced man with light sandy hair and a long upper lip It s precious warm I s pose you n John ll want to walk back together Well don t keep dinner waiting cos that always puts me out Now then Sarah come along it s too hot to stand gossiping about Let s get home as quick as we can Mrs Baines a gaunt thin woman with a long parchment coloured face and cold grey eyes looked indignantly at her husband when he talked of gossiping but said nothing took his arm and walked away Lucy put up her parasol and leant against the ugly iron railings which interposed between the dusty chapel windows and the pavement The congregation had not all dispersed Two or three awkward looking young men were standing in a group in the roadway and while pretending to carry on a jesting conversation amongst themselves were casting sheepish looks at Lucy who was deemed a beauty for ten miles round They evidently alluded to her in the witticisms they exchanged so that she had to restrict her angle of vision in case her eyes met theirs when she wished to ignore their offensive existence Mrs Garrett the grocer s wife who had been inquiring from Miss Simons the little lame dressmaker why were village dressmakers of that period in life and in fiction nearly always lame how her married sister progressed after a confinement walked up to Lucy and said Well Miss Josling and how d you like the idea of parting with your young man Ain t cher afraid of his goin off so far and all among savages and wild beasts too same as e was tellin on It s all right and proper as how he should carry the news of the Gospel to them pore naked blacks but as I says to Garrett I says E don t ought to go and engage isself before and to a girl as e mayn t never come back to marry and as ll spend the best years of er life a waitin an a waitin and cryin er eyes put to no use However t ain t any business of mine an I s pose you ve set your heart upon im now and won t thank me for bein so outspoken I m sure e s come back from London quite the gentleman and lor Ow proud is mother did look while e was a preachin An e can preach too Alf the words e used was Greek to me S pose they was Greek if it comes to that she laughed fatly Though why th Almighty should like Greek and Latin better n plain English or even Ebrew is what I never could understand **The Man Who Did the Right Thing** Harry Johnston, 2020-03-16 In *The Man Who Did the Right Thing* Harry Johnston weaves a compelling narrative that explores the moral complexities of human behavior against the backdrop of colonial Africa The novel is imbued with rich descriptive language reflecting Johnston s keen observational skills and his ability to capture the socio political intricacies of the time Through the lens of its protagonist the story delves into themes of ethics duty and the often contentious intersection of personal beliefs and societal

expectations making it a poignant commentary on the era's cultural tensions Harry Johnston an accomplished writer and explorer spent significant time in Africa which deeply informed his literary pursuits His firsthand experiences and profound understanding of the continent's diverse cultures and politics imbue the text with authenticity and depth Johnston's background as an advocate for African peoples and his own encounters with colonialism are evident throughout the narrative driving home the urgency of moral courage in the face of societal pressures I highly recommend *The Man Who Did the Right Thing* to readers interested in historical fiction that challenges conventional narratives Johnston's nuanced portrayal of his characters prompts reflection on the ethical dilemmas we face in our own lives ensuring that the novel resonates far beyond its time and setting
