Shakespeare And Appropriation

**Darlana Ciraulo, Matthew
Kozusko, Robert Sawyer**

Shakespeare And Appropriation:

Shakespeare and Appropriation Christy Desmet, Robert Sawyer, 2013-01-11 The vitality of our culture is still often measured by the status Shakespeare has within it Contemporary readers and writers continue to exploit Shakespeare's cultural afterlife in a vivid and creative way This fascinating collection of original essays shows how writers' efforts to imitate, contradict, compete with and reproduce Shakespeare keep him in the cultural conversation The essays analyze the methods and motives of Shakespearean appropriation, investigate theoretically the return of the repressed author in discussions of Shakespeare's cultural function, put into dialogue theoretical and literary responses to Shakespeare's cultural authority, analyze works ranging from nineteenth century to the present and genres ranging from poetry and the novel to Disney movies

Shakespeare and the Ethics of Appropriation Alexa Huang, Elizabeth Rivlin, 2014-10-23 Making an important new contribution to rapidly expanding fields of study surrounding the adaptation and appropriation of Shakespeare, *Shakespeare and the Ethics of Appropriation* is the first book to address the intersection of ethics, aesthetics, authority and authenticity

Performing Shakespearean Appropriations Darlena Ciraulo, Matthew Kozusko, Robert Sawyer, 2022-06-29 *Performing Shakespearean Appropriations* explores the production and consumption of Shakespeare in acts of adaptation and appropriation across time periods and through a range of performance topics The ten essays, moving from the seventeenth to the twenty-first century, address uses of Shakespeare in the novel, television, cinema and digital media Drawing on Christy Desmet's work, several contributors figure appropriation as a posthumanist enterprise that engages with electronic Shakespeare by dismantling, reassembling and recreating Shakespearean texts in and for digital platforms The collection thus looks at media and performance technologies diachronically in its focus on Shakespeare's afterlives Contributors also construe the notion of performance broadly to include performances of selves, of communities, of agencies and of authenticity, either Shakespeare's or the user's or both The essays examine both specific performances and larger trends across media and they consider a full range of modes from formal and professional to casual and amateur from the fixed and traditional to the ephemeral, the itinerant and the irreverent

The Routledge Handbook of Shakespeare and Global Appropriation Christy Desmet, Sujata Iyengar, Miriam Jacobson, 2019-08-28 *The Routledge Handbook of Shakespeare and Global Appropriation* brings together a variety of different voices to examine the ways that Shakespeare has been adapted and appropriated onto stage, screen, page and a variety of digital formats The thirty-nine chapters address topics such as trans and intermedia performances, Shakespearean utopias and dystopias, the ethics of appropriation and Shakespeare and global justice as guidance on how to approach the teaching of these topics This collection brings into dialogue three very contemporary and relevant areas: the work of women and minority scholars, scholarship from developing countries and innovative media renderings of Shakespeare Each essay is clearly and accessibly written but also draws on cutting-edge research and theory It includes two alternative tables of contents offering different pathways through the book

one regional the other by medium which open the book up to both teaching and research Offering an overview and history of Shakespearean appropriations as well as discussing contemporary issues and debates in the field this book is the ultimate guide to this vibrant topic It will be of use to anyone researching or studying Shakespeare adaptation and global appropriation *Performing Shakespearean Appropriations* Darlena Ciraulo,Matthew Kozusko,Robert Sawyer,2022-06-29

Performing Shakespearean Appropriations explores the production and consumption of Shakespeare in acts of adaptation and appropriation across time periods and through a range of performance topics The ten essays moving from the seventeenth to the twenty first century address uses of Shakespeare in the novel television cinema and digital media Drawing on Christy Desmet's work several contributors figure appropriation as a posthumanist enterprise that engages with electronic Shakespeare by dismantling reassembling and recreating Shakespearean texts in and for digital platforms The collection thus looks at media and performance technologies diachronically in its focus on Shakespeare's afterlives Contributors also construe the notion of performance broadly to include performances of selves of communities of agencies and of authenticity either Shakespeare's or the user's or both The essays examine both specific performances and larger trends across media and they consider a full range of modes from formal and professional to casual and amateur from the fixed and traditional to the ephemeral the itinerant and the irreverent

Shakespeare and Cultural Appropriation Vanessa I. Corredera,L.Monique Pittman,Geoffrey Way,2023-03-24

Shakespeare and Cultural Appropriation pushes back against two intertwined binaries the idea that appropriation can only be either theft or gift and the idea that cultural appropriation should be narrowly defined as an appropriative contest between a hegemonic and marginalized power In doing so the contributions to the collection provide tools for thinking about appropriation and cultural appropriation as spectrums constantly evolving and renegotiating between the poles of exploitation and appreciation This collection argues that the concept of cultural appropriation is one of the most undertheorized yet evocative frameworks for Shakespeare appropriation studies to address the relationships between power users and uses of Shakespeare By robustly theorizing cultural appropriation this collection offers a foundation for interrogating not just the line between exploitation and appreciation but also how distinct values biases and inequities determine where that line lies Ultimately this collection broadly employs cultural appropriation to rethink how Shakespeare studies can redirect attention back to power structures cultural ownership and identity and Shakespeare's imbrication within those networks of power and influence Throughout the contributions in this collection which explore twentieth and twenty first century global appropriations of Shakespeare across modes and genres the collection uncovers how a deeper exploration of cultural appropriation can reorient the inquiries of Shakespeare adaptation and appropriation studies This collection will be of great interest to students and scholars in theatre and performance studies Shakespeare studies and adaption studies

Shakespeare & Appropriation ,1999 **Shakespeare, Cinema, Counter-Culture** Ailsa Ferguson,2016-06-23

Addressing for the first time Shakespeare's place in counter cultural

cinema this book examines and theorizes counter hegemonic postmodern and post punk Shakespeare in late 20th and early 21st century film Drawing on a diverse range of case studies Grant Ferguson presents an interdisciplinary approach that offers new theories on the nature and application of Shakespearean appropriations in the light of postmodern modes of representation The book considers the nature of the Shakespearean inter text in subcultural political contexts concerning the politicized aesthetics of a Shakespearean body in pieces the carnivalesque and notions of Shakespeare as counter hegemonic weapon or source of empowerment Representative films use Shakespeare and his accompanying cultural capital to challenge notions of capitalist globalization dominant socio cultural ideologies and hegemonic modes of expression In response to a post modern culture saturated with logos and semiotic abbreviations many such films play with the emblematic imagery and references of Shakespeare s texts These curious appropriations have much to reveal about the elusive nature of intertextuality in late postmodern culture and the battle for cultural ownership of Shakespeare As there has yet to be a study that isolates and theorizes modes of Shakespearean production that specifically demonstrate resistance to the social political ideological aesthetic and cinematic norms of the Western world this book expands the dialogue around such texts and interprets their patterns of appropriation adaptation and representation of Shakespeare

Ethical Implications of Shakespeare in Performance and Appropriation Geoffrey Way, Kathryn Vomero Santos, Louise Geddes, 2024-04-30

Bringing together the discrete fields of appropriation and performance studies this collection explores pivotal intersections between the two approaches to consider the ethical implications of decisions made when artists and scholars appropriate Shakespeare The essays in this book written by established and emerging scholars in subfields such as premodern critical race studies gender and sexuality studies queer theory performance studies adaptation appropriation studies and fan studies demonstrate how remaking the plays across time cultures or media changes the nature both of what Shakespeare promises and the expectations of those promised Shakespeare Using examples such as rap music popular television theatre history and twentieth century poetry this collection argues that understanding Shakespeare at different intersections between performance and appropriation requires continuously negotiating what is signified through Shakespeare to the communities that use and consume him

Variable Objects Valerie M. Fazel, Louise Geddes, 2021 Examines Shakespeare fragments as agents of appropriation Drawing on new materialism and object oriented ontology Variable Objects proposes that Shakespeare is a vibrant object replete with a variable energy that accounts for its infinite meaning making capacity Using critical race theory object oriented feminism performance studies Global Shakespeares media studies and game theory the collection s essays explore the dialogic relationship between the Shakespeare object and its appropriation Each chapter demonstrates that instead of moving away from the source of appropriation an object oriented approach can centralise Shakespeare without the constraints of outdated notions of fidelity Highlighting the variable materiality inherent in Shakespeare the collection foregrounds the political ecologies of literary objects as a new methodology for adaptation studies

The Appropriation of Shakespeare Jean I. Marsden, 1991 **With Shakespeare's Eyes** Catherine O'Neil, 2003 With Shakespeare's Eyes is the first monograph to focus exclusively on the relationship between the Russian poet Alexander Pushkin and Shakespeare Taking into account contemporary perceptions of Shakespeare in print and on the Russian stage O Neil examines all levels of poetic influence of Shakespeare on Pushkin In addition to untangling the central presence of Shakespeare on Pushkin's historical tragedy Boris Godunov O Neil examines Shakespeare's influence in many other works by Pushkin an influence that ranges from the textual to the conceptual The Shakespeare plays addressed most closely in this book are Othello Measure for Measure and Julius Caesar all of which interact in a dynamic way with Pushkin's creative development This book will help English readers understand better what it means to say Pushkin is the Shakespeare of Russia Catherine O Neil is Assistant Professor of Russian at the University of Denver **Appropriating Shakespeare** Louise Geddes, 2017-04-05 Appropriating Shakespeare A Cultural History of Pyramus and Thisbe argues that the vibrant transformative history of Shakespeare's play within a play from A Midsummer Night's Dream across four centuries allows us to see the way in which Shakespeare is used to both create and critique emergent cultural trends Because of its careful distinction between good and bad art Pyramus and Thisbe's playful meditation on the foolishness of over reaching theatrical ambition is repeatedly appropriated by artists seeking to parody contemporary aesthetics resulting in an ongoing assessment of Shakespeare's value to the time Beginning with the play's own creation as an appropriation of Ovid designed to keep the rowdy clown in check Appropriating Shakespeare is a wide ranging study that charts Pyramus and Thisbe's own metamorphosis through opera novel television and of course theatre This unique history illustrates Pyramus and Thisbe's ability to attract like minded experimental genre bending artists who use the text as a means of exploring the value of their own individual craft Ultimately what this history reveals is that in excerpt Pyramus and Thisbe affirms the place of artist as both consumer and producer of Shakespeare *World-Wide Shakespeares* Sonia Massai, 2007-05-07 World Wide Shakespeares brings together an international team of leading scholars in order to explore the appropriation of Shakespeare's plays in film and performance around the world *Shakespeare in Children's Literature* Erica Hateley, 2009 Shakespeare in Children's Literature looks at the genre of Shakespeare for children considering both adaptations of his plays and children's novels in which he appears as a character Drawing on feminist theory and sociology Hateley demonstrates how Shakespeare for children utilizes the ongoing cultural capital of Shakespeare and the pedagogical aspects of children's literature to perpetuate anachronistic forms of identity and authority *Victorian Appropriations of Shakespeare* Robert Sawyer, 2003 Swinburne it may also be used to promote more conservative policies and literary interpretations in other writers such as Robert Browning and Charles Dickens **Chaucer, Shakespeare and Appropriation** Yaohua Shi, 1988 **Shakespeare Without Class** Donald Keith Hedrick, Bryan Reynolds, 2000 This study simultaneously supports and challenges Shakespeare's universality It does this by showing that Shakespeare is not universal insofar as his poetry speaks

to all people of all classes beyond class distinctions but by demonstrating just how deeply entrenched Shakespeare is across a spectrum of socioeconomic structures and class gender and ethnic struggles The subjects of these essays range from Shakespeare's own appropriation of the sonnet form from Elizabethan couriers to reinterpretations of Shakespeare's plays in 19th century African theatre to Brecht's political reworkings of Shakespeare's plays to pedagogical uses of Shakespeare in cultural studies courses to adaptations of Shakespeare in gay porn films *Shakespeare-Jahrbuch* ,1995 **The Nazi Appropriation of Shakespeare** Rodney Symington,2005 For the Nazis Shakespeare was a major cultural icon whose works belonged to German culture more than to English and were therefore to be exploited for political propagandistic purposes like those of any other German classical writer Following an overview of the importance of Shakespeare in German culture this book's three major sections investigate the controversy over the appropriate translation Shakespeare's plays to be read and performed the effect of the new political cultural climate on Shakespeare scholarship and the attempts of the Nazis to coordinate Shakespeare's works on the stage for propagandistic ends This is the first complete study entirely in English to present the total picture of Shakespeare's fortunes in Germany between 1933 and 1945 in the context of Nazi cultural policy

This is likewise one of the factors by obtaining the soft documents of this **Shakespeare And Appropriation** by online. You might not require more times to spend to go to the books start as well as search for them. Shakespeare And Appropriation Introduction

In today's digital age, the availability of Shakespeare And Appropriation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shakespeare And Appropriation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shakespeare And Appropriation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shakespeare And Appropriation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shakespeare And Appropriation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shakespeare And Appropriation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shakespeare And Appropriation books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shakespeare And Appropriation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shakespeare And Appropriation books and manuals for download and embark on your journey of knowledge?

FAQs About Shakespeare And Appropriation Books

1. Where can I buy Shakespeare And Appropriation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
