Shakespeare Survey 25 Shakespeares Problem Plays:

Shakespeare Survey Kenneth Muir, 2002 *Shakespeare Survey: Volume 25, Shakespeare's Problem Plays* Allardyce Nicoll, 1970 An annual survey of Shakespearian study and production **William Shakespeare** Gerhard Müller-Schwefe, 2019-07-08 Keine ausführliche Beschreibung für William Shakespeare verfügbar **Shakespeare's Auditory Worlds** Walter W. Cannon, Laury Magnus, 2020-10-27 Inspired by the verbal exuberance and richness of all that can be heard by audiences both on and off Shakespeare's stages Shakespeare's Auditory Worlds examines such special listening situations as overhearing eavesdropping and asides It breaks new ground by exploring the complex relationships between sound and sight dialogue and blocking dialects and other languages revoicings and finally nonverbal or metaverbal relationships inherent in noise sounds and music staging interstices that have been largely overlooked in the critical literature on aurality in Shakespeare Its contributors include David Bevington Ralph Alan Cohen Steve Urkowitz and Leslie Dunn and in a concluding Virtual Roundtable section six seasoned repertory actors of the American Shakespeare Center as well who discuss their nuanced hearing experiences on stage Their hearing invites us to understand the multiple dimensions of Shakespeare's auditory world from the vantage point of actors who are listening in the round to what they hear from their onstage interlocutors from offstage and backstage cues from the musicians galleries and often most interestingly from their audiences **Troilus and Cressida: A Critical Reader** Eferpi Mitsi, 2019-01-10 Troilus and Cressida A Critical Reader offers an accessible and thought provoking guide to this complex problem play surveying its key themes and evolving critical preoccupations Considering its generic ambiguity and experimentalism it also provides a uniquely detailed and up to date history of the play's stage performance from Dryden's rewriting up to Mark Ravenhill and Elizabeth LeCompte's controversial 2012 production for the Royal Shakespeare Company and the Wooster Group Moving through to four new critical essays the guide opens up fresh perspectives on the play's iconoclastic nature and its key themes ranging from issues of gender and sexuality to Elizabethan politics from the uses of antiquity to questions of cultural translation with particular attention paid on Troilus Greekness The volume finishes with a helpful guide to critical and web based resources Discussing the ways in which this challenging and acerbic play can be brought to life in the classroom it suggests performance based strategies designed to engage with the dramaturgical and theatrical dimensions of the text close reading exercises with an emphasis on rhetoric metaphor and the practice of troping and a series of tools designed to situate the play in a range of contexts including its classical and critical frameworks **Shakespearean Criticism** Michelle Lee, 2004-05 The plays theme or focus of this volume includes Hamlet Henry VIII A Midsummer's Night Dream The Rape of Lucrece Emotional Excess on the Shakespearean Stage Bridget Escolme, 2013-12-16 Emotional Excess on the Shakespearean Stage demonstrates the links made between excess of emotion and madness in the early modern period It argues that the ways in which today's popular and theatrical cultures judge how much is too much can distort our understanding of early modern

drama and theatre It argues that permitting the excesses of the early modern drama onto the contemporary stage might free actors and audiences alike from assumptions that in order to engage with the drama of the past its characters must be just like us The book deals with characters in the plays of Shakespeare and his contemporaries who are sad for too long or angry to the point of irrationality people who laugh when they shouldn't or make their audiences do so people whose selfhood has broken down into an excess of fragmentary extremes and who are labelled mad It is about moments in the theatre when excessive emotion is rewarded and applauded and about moments when the expression of emotion is in excess of what is socially acceptable embarrassing shameful unsettling or insane The book explores the broader cultures of emotion that produce these theatrical moments and the theatre's role in regulating and extending the acceptable expression of emotion It is concerned with the acting of excessive emotion and with acting emotion excessively And it asks how these excesses are produced or erased give pleasure or pain in versions of early modern drama in theatre film and television today Plays discussed include Hamlet Romeo and Juliet The Spanish Tragedy Twelfth Night Much Ado About Nothing Measure for Measure and Coriolanus **A Companion to Shakespeare's Works, Volume IV** Richard Dutton, Jean E.

Howard, 2003-06-02 This text on Shakespeare's problem plays poems and late plays contains essays on Troilus and Cressida Measure for Measure and All's Well That Ends Well In addition it includes 12 essays on his poetry one of the topics being the reception history of the sonnets *Referate und Diskussionen* Manfred Windfuhr, 1973 **Antike und Abendland**, 1976

Die politische Rede bei Shakespeare Wolfgang G. Müller, 1979 **Arbeiten zur Ästhetik, Didaktik, Literatur- und Sprachwissenschaft**, 1988 *Critical Survey*, 1989 **William Shakespeare** Richard Hillman, 1993 Critical discussion of three Shakespeare plays Troilus and Cressida All's Well that Ends Well and Measure for Measure that defy attempts to classify them as either comedy romance tragedy or satire **Shakespeare and the Late Moral Plays** Alan C. Dessen, 1986

English Literature from the 16th Century to the Present British Council, 1965 *Shakespeare and Shakespeariana* Meisei Daigaku. Toshokan, 1980 **The Cumulative Book Index**, 1992 A world list of books in the English language **Shakespeare Jahrbuch**, 1975 *Virginia Law Review*, 1975
