Dickens, Family, Authorship Lynn Cain, 2017-05-15 Drawing on a wide range of Dickens's writings including all of his novels and a selection of his letters journalism and shorter fiction Dickens Family Authorship provides a provocative account of the evolution of an author from whose psychological honesty and imaginative generosity emerged precocious fictional portents of Freudian and post Freudian theory The decade 1843 1853 was pivotal in Dickens's career A phase of feverish activity on both personal and professional fronts it included the irrevocable souring of his relations with his parents the peripatetic residence in continental Europe and a massive proliferation of writing and editing activities including the aborted autobiography It was a period of astounding creativity which consolidated Dickens's authorial and financial stature It was also one tainted by loss the deaths of his father sister and daughter and the alarming desertion of his early facility for composition Lynn Cain's substantial study of the four novels produced during this turbulent decade Martin Chuzzlewit Dombey and Son David Copperfield and Bleak House traces the evolution of Dickens's creative imagination to discover in the modulating fictional representation of family relationships a paradigm for his authorial development Closely argued readings demonstrate a reorientation from a patriarchal to a maternal dynamic which signals a radical shift in Dickens's creative technique

Interweaving critical analysis of the four novels with biography and the linguistic and psychoanalytic writings of modern theorists especially Kristeva and Lacan Lynn Cain explores the connection between Dickens's susceptibility to depression during this period and his increasingly self-conscious exploitation of his own mental states in his fiction **Women, Gender and Enlightenment** B. Taylor, S. Knott, 2005-05-27 Did women have an Enlightenment This path breaking volume of interdisciplinary essays by forty leading scholars provides a detailed picture of the controversial innovative role played by women and gender issues in the age of light **Shakespeare Quarterly**, 2003 **Shakespeare and Minorities** Parvin Kujoory, 2001 In a bibliography of criticism rather than Shakespeare texts or thoughts Kujoory offers an indicative rather than exhaustive annotated list of over 900 items that she has relied on or selected as most germane for the various interpretations or critical reception of Shakespeare plays with regard to women blacks Jews homosexuals slaves and others The annotations are primarily descriptive but some include short excerpts Annotation copyrighted by Book News Inc Portland OR **The Shakespearean International Yearbook**, 1999 **Shakespearean Criticism**, 1984 Kürschners deutscher Gelehrten-Kalender, 2009 Each volume includes Wissenschaftliche zeitschriften **Turning the Page** Fiona M. Collins, Jeremy Ridgman, 2006 Since the nineteenth century children's literature has been adapted for both the stage and the screen As the twentieth century progressed children's books provided the material for an increasing range of new media from radio to computer games from television to cinema blockbuster Although such adaptations are now recognised as a significant part of the culture of childhood and popular culture in general little has been written about the range of products and experiences that they generate This book brings together writers whose work offers contrasting perspectives on the process of adaptation and the varying transformations social historical and ideological that take place when a text moves from the page to another medium Linking all these contributions is an interest in the changing definition of children's literature and its target audience within an increasingly media rich society The Huntington Library Quarterly Henry E. Huntington Library and Art Gallery, 2002 Texts and Traditions Beatrice Groves, 2007 Explores Shakespeare's engagement with the religious culture of his time Through readings of a number of plays Romeo and Juliet King John 1 Henry IV Henry V and Measure for Measure this work explains allusions to the Bible the Church's liturgy and to the mystery plays performed in England in Shakespeare's boyhood **The Rape of Lucrece, Titus Andronicus, Julius Caesar, Antony and Cleopatra, and Coriolanus** Clifford Chalmers Huffman, John W. Velz, 2002 Text, 2002 *Lady Trevelyan and the Pre-Raphaelite Brotherhood* John Batchelor, 2006 Wallington Hall was remote from the major centers of artistic activity in early 19th century Britain Yet Pauline Trevelyan single handedly made her home the focus of High Victorian cultural life The penniless but clever daughter of a clergyman Pauline Jermyn married an older man whom she met through a shared passion for geology Sir Walter Trevelyan was a philanthropist teetotal vegetarian pacifist and very rich With his encouragement she collected works of art and decorated Wallington Hall with a cycle of vast paintings She was a patron of the arts who provided a fostering

environment for many of the geniuses of her day Among those she attracted into her orbit were Ruskin Swinburne the Brownings the Rossettis Carlyle Millais and numerous other members of the Pre Raphaelite movement This is the story of Lady Trevelyan s founding of an astounding artistic salon and the revolutionary arts movement it fostered *The Papers of the Bibliographical Society of America* Bibliographical Society of America, 1998-03
