of the corporate citizen and were willing to play that role Welcome to GoodCo explores that change in attitude and examines how the processes structures purposes and tools of the private sector economy can be turned into instruments of social progress Once again there are political lessons to be learned good or responsible capitalism has become a matter of debate What is not at issue is that the private sector has available to it vast quantities of capital human and other resources and logistical expertise which when properly focused and applied could revolutionise the delivery of public
