### COVER LETTER

---

Dear Hiring Manager,

Having honed my skills in production planning and supply chain management within the Oil & Gas sector, I have developed a keen understanding of what it takes to drive efficiency and quality in a high-stakes environment. My experience aligns well with the goals of your team, and I am intrigued by the innovative approaches your company takes toward energy production.

During my tenure at Baker Hughes, I was instrumental in the implementation of a new MRP system that substantially enhanced our production tracking capabilities. This pivotal change translated to a 15% reduction in lead time. Additionally, my direction on the launch of a new product line saw an impressive 25% revenue increase in just the first quarter. These successes are a testament to my capacity to lead strategic planning and to deliver tangible results.

I am eager to bring my expertise in production planning, my proficiency with SAP and MRP systems, as well as my commitment to sustainability to your esteemed company. I am looking forward to the opportunity to discuss how my background, skills, and certifications can be a match for the challenges and aspirations of your organization.

Sincerely,

Peter Connolly
