Algaier

IV,2019-11-23 While a reconstruction of the whole of William James's personal library isn't feasible there are significant portions of it that reside within the Harvard University Library system and this book is a partial reconstruction of their story. Reconstructing the Personal Library of William James offers a new comprehensive account of the James collection at Harvard University bringing together all known Harvard owned entries into one comprehensive volume. The annotated bibliography contains data on 2 554 entries 2 862 volumes from James's personal library including both the 1923 Philosophical Library and all known additional donations by James and his family. Each entry when applicable contains the following data points: Harvard Library location and call number, provenance, bookplate, accession record, autographs, inscriptions, ownership marks, indexical annotations, markings and marginalia. To orient the reader Ermine L. Algaier IV supplements the bibliography with essays that examine the history of the James's library at Harvard, assess the size of the collection and how it came to reside at Harvard and showcase patterns that emerge from looking at the collection as a whole. Additional essays are devoted to explaining the source lists and archival resources used in reconstructing James's personal library as well as outlining steps for continued research on the collection.

Healing with Life Force, Volume 3—Magnetism Shivani Lucki, 2024-10-01 The Power of Healing is the property of every individual soul. Paramhansa Yogananda's Autobiography of a Yogi helped launch and continues to guide a global spiritual revolution. Now for the first time his remarkable healing methods are available for all who seek to awaken within themselves the limitless power of Life Force. This remarkable unprecedented collection of Yogananda's teachings is no mere intellectual compendium; this is Truth explored, experienced and shared by one who knows. A gift for the ages. Asha Nayaswami, renowned author and speaker. These books open doorways to transformative insights that will change your life profoundly, making you the director of your life and master of your destiny. Madhureeta Anand, film director, entrepreneur and author. Every single word of these teachings is packed with truth and power. Rashmi Krishnan, formerly Secretary Social Welfare Govt of NCT of Delhi, India. Shivani Lucky's search for Truth led her in 1969 to California and to the teachings of Paramhansa Yogananda. She helped found two Ananda communities: one in California, one in Italy, the Life Therapy School for Self Healing and the Ananda Raja Yoga School, and co-founded the Ananda community near Assisi, Italy. Volume Three: Magnetism. Use the laws of cosmic vibration to achieve healthy relationships, improve economic circumstances and protect yourself from harmful influences.
