Practice Of The Love Of Jesus Christ A New Translation:

A New Literal Translation from the Original Greek, of All the Apostolical Epistles James Macknight, 1835 The Practice of the Love of Jesus Christ , 1901 This inspiring book reissued in a new translation for the modern reader is considered to be Saint Alphonsus Liguori's best devotional work Divided into seventeen small chapters each preceded by prayers and intercessions it offers practical prescriptions for living a holy life **Vision, Mental Imagery and the Christian Life**

Zoltán Dörnyei, 2019-07-03 This book uniquely explores how the notion of vision is presented in modern science and the Bible and how it can be applied to contemporary Christian contexts The word vision our ability to see has been described by an increasing body of scholarship in the social sciences as our capacity for mental imagery and imagination As such this unique cognitive capability has been utilised in many fields for a variety of purposes from arts and psychotherapy to politics and business management and even for performance enhancement in sports The current book argues that a better understanding of vision can have far reaching practical implications for Christian life and ministry by helping people to align themselves with God's specific purposes After a theoretical overview that integrates scientific and theological insights the final chapters present a variety of strategies that can help believers to discern God's call through the use of mental imagery and then to develop and cultivate the perceived vision The book examines the scientific and biblical principles of vision in a comprehensive manner with a special emphasis on the practical implications of the issue As such it will be of great interest to scholars of Theology Biblical Studies and Church Growth Leadership as well as Organisational Behaviour Business Management and Psychology **Invitation to Syriac Christianity** Michael Philip Penn, Scott Fitzgerald Johnson, Christine Shepardson, Charles M. Be Real (1 John) Warren W. Wiersbe, 2010-01-01 Like a child eating cotton candy at the circus many people who expect to bite into something real end up with a mouthful of nothing They waste priceless years on empty substitutes for reality Through clever word pictures like this that strike the reader with their simple truth acclaimed best selling author and former pastor Warren Wiersbe shares priceless unchanging realities as he opens up the book of I John Though *Be Real* is originally copyrighted in 1972 Wiersbe's text is enchantingly as timeless as the truths in the Bible itself His humor is witty his research is extensive his historical context is deep and his commentary is solidly based on the Word of God In fact the Word was with God and the Word was God John 1:1 is the crux upon which he builds to explain the manifestation of a perfect holy Supreme Being to this hurting world of finite sinners Heaven blesses earth and the Divine Creator becomes one of the created in this personal and or group study that you will not soon forget
