Second Language Pragmatics Jonathan Culpeper, Alison Mackey, Naoko Taguchi, 2018-04-27 Second Language Pragmatics From Theory to Research aims to reinvigorate this field pointing the way forward to new methodologies that can drive or be driven by new theoretical developments With a unique combination of leading international expertise in general pragmatics L2 pragmatics and research methodology the authors describe in detail the methods including the most recent techniques by which pragmatics of all types can be pursued in L2 contexts This volume argues that L2 pragmatics research needs to expand from its initial base by drawing from a wider range of sources such as Corpus Linguistics and Psycholinguistics Clear accessible and practical Second Language Pragmatics will be valuable to novice and seasoned researchers alike in second language pragmatics general pragmatics and second language acquisition courses

Pragmatics & Language Learning, Volume 11 Kathleen Bardovi-Harlig, J. Cesar Felix-Brasdefer, Alwiya Saleh Omar, 2006 This volume features cutting edge research on L2 pragmatics from a wide range of theoretical and methodological approaches It offers fresh perspectives on standard topics such as the use and learning of speech acts and the pragmatic meanings of linguistic resources and the effect of planned intervention on pragmatic development in language instruction The chapters also document researchers increasing attention to different forms of computer mediated communication as environments for using and developing L2 pragmatic competence and of conversation analysis as an approach to different aspects of interaction in a variety of settings Publisher's website nflrc.hawaii.edu

L2 Pragmatic Development in Study Abroad Contexts Wei Ren, 2015 The book explores both productive and receptive pragmatic competences of Chinese learners of English at a study abroad and an at home contexts over one year to shed light on their pragmatic development Additionally it longitudinally investigates the cognitive processes of advanced L2 learners engaged in pragmatics during their study abroad

Interlanguage Pragmatic Development Gila Schauer, 2009-07-12 Gila Schauer's study of interlanguage pragmatic development in English is situated in the context of studying abroad It is the first book length study of a common occurrence worldwide but one that has not received the focus it deserves Schauer examines the interlanguage pragmatic development of German learners of English at a British University over the course of a year The focus is not only on the learners productive pragmatic development but also on their pragmatic

awareness which is compared with their grammatical awareness The analysis undertaken is both qualitative and quantitative and the book draws some important conclusions relevant to the whole field of interlanguage pragmatics It will be engaging reading for researchers and postgraduate studies in applied linguistics especially those working on interlanguage and cross cultural pragmatics multilingualism and second language acquisition

The Routledge Handbook of Second Language Acquisition and Pragmatics Naoko Taguchi, 2019-01-30 The Routledge Handbook of Second Language Acquisition and Pragmatics is a comprehensive critical survey of the field of L2 pragmatics collecting a number of chapters that highlight the key theories methods pedagogies and research findings throughout its development over the last four decades Demonstrating the ways in which pragmatics has long served as a lens through which to examine patterns of L2 development the volume is divided into six parts which reflect the field's structure and evolution Constructs and units of analysis Theoretical approaches Methodological approaches Pedagogical approaches Contexts and individual considerations L2 pragmatics in the global era The handbook has a particular focus on covering not only traditional topics in the field such as constructs of pragmatic competence e.g. speech acts implicature teaching and assessment and pragmatics learning in a study abroad program but also emerging areas of study including interactional pragmatics intercultural pragmatics usage based approaches corpus linguistics and psycholinguistic experimentation Each chapter introduces the topic and follows with a description of its theoretical underpinnings an overview of existing literature appraisal of current practice concluding with a discussion of future directions for research and key readings The Routledge Handbook of Second Language Acquisition and Pragmatics is an essential resource for those with an interest in second language acquisition pragmatics and language teaching

Teaching and Learning Second Language Pragmatics for Intercultural Understanding Troy McConachy, Anthony J. Liddicoat, 2021-11-29 This collection argues for the need to promote intercultural understanding as a clear goal for teaching and learning pragmatics in second and foreign language education The volume sees the learning of pragmatics as a challenging yet enriching process whereby the individual expands their capacity for understanding how meaning making processes influence social relationships and how assumptions about social relationships shape the interpretation and use of language in context This locates pragmatics within a humanistically oriented conception of learning where success is defined relative to the enrichment of human understanding and appreciation of difference The book argues that intercultural understanding is not an add on to language learning but central to the learner's ability to understand and construct meaning with individuals from diverse linguistic and cultural backgrounds Chapters analyse teachers and learners ways of making sense of pragmatics how their assumptions about social relationships impact their perceptions of language use and how reflection on pragmatic judgments opens up possibilities for developing intercultural understanding This book will be of interest to students and scholars in intercultural communication language education and applied linguistics

Second Language Pragmatics Wei Ren, 2022-07-14 This Element introduces the areas that second language L2 pragmatics research has investigated. It begins with a theme-based review of the field with respect to L2 pragmatics learning, teaching, and assessing. The section on pragmatics learning examines studies on learners' pragmatic production and perception and analyzes research modalities in this field. The section on pragmatics teaching examines the effects of and different approaches to L2 pragmatics instruction, and the section on pragmatics assessing examines the aspects involved in testing learners' pragmatic competence and studies on issues related to validity and rating in pragmatics assessing. The Element then analyzes studies exploring learners' cognitive processes during pragmatic performance, and case studies are provided to showcase two ongoing projects: one investigating advanced learners' self-praise on social media and the other investigating lingua franca pragmatics among children. Finally, the Element offers some topics and questions for future research in L2 pragmatics.

Second Language Teaching and Learning in the Net Generation Raquel Oxford, Jeffrey Oxford, 2009 A perfect companion for aspiring entrepreneur mothers, a journey many women try to take on solo, this guide is brimming with practical advice, tips, and tricks to help a woman fine-tune her self-starter skills and raise a successful company. The lessons here show how to blend motherhood and business, including pointers on how to incorporate kids into the daily business routine and dozens of accounts from mom entrepreneurs on their adventures in time management. While also showing why a traditional business plan may not be as important as once thought, this is an indispensable sidekick to launching a dream, keeping it running, and turning it into a thriving business.

Developmental and Clinical Pragmatics Klaus P. Schneider, Elly Ifantidou, 2020-08-24 This handbook provides a comprehensive and up-to-date survey of a wide range of developmental and clinical issues in pragmatics. Principally, the contributions to this volume deal with pragmatic competence in a native language, in a second or foreign language, and in a selection of language disorders. The topics which are covered explore questions of production and comprehension on the utterance and discourse level. Topics addressed concern the acquisition and learning, teaching and testing, assessment and treatment of various aspects of pragmatic ability, knowledge, and use. These include, for example, the acquisition and development of speech acts, implicatures, irony, story telling, and interactional competence. Phenomena such as pragmatic awareness and pragmatic transfer are also addressed. The disorders considered include clinical conditions pertaining to children and to adults. Specifically, these are, among others, autism spectrum disorders, Down syndrome, and Alzheimer's disease.
