Maternal Conditions Melissa A. Schoeffel, 2008 *Maternal Conditions* analyzes the depiction of motherhood in the works of Barbara Kingsolver, Ana Castillo, Louise Erdrich, and Ruth Ozeki. The book examines the politics underlying and engendered by ethnically diverse representations of the maternal, interrogating the dominant cultural understanding of the good mother. This analysis then moves to a study of how the subjective experience of mothers is portrayed in these writings, ending with an exploration of the relationship between motherhood and ethics.

Breastfeeding in American Women's Literature Wendy Whelan-Stewart, 2024-09-18 Rather than rarities, literary depictions of women breastfeeding infants are more common in American literature than recognized. In some cases, readers have dismissed such portrayals as scenic background or strokes of verisimilitude. In other cases, we have failed to register them at all. By cataloging and closely reading scenes of characters breastfeeding across the nineteenth, twentieth, and twenty-first centuries, this book decodes the beliefs of writers as celebrated as Willa Cather, Toni Morrison, and Louise Erdrich, and as current as Camille Dungy, Maggie Nelson, and Torrey Peters. It traces in these authors' fantasies and fears the consistent and sometimes competing cultural ideologies that accrue over decades and find expression in breastfeeding scenes. Despite the different historical and cultural expectations of what a mother should be and do, twentieth and twenty-first century women writers have consistently singled out maternal pleasure as a mother's privileging of her own desire as the most important theme attending scenes of breastfeeding.

Love, Inspiration, and Adventure Willie O'Michael, 2015-12-29 Let me say this right from the start: a poet always writes from the heart. So begins Willie O'Michael's moving collection of poetry that captures the humdrum of life and makes it all quite magical. He believes inspiration comes from everything we see, whether that be a familiar face in the street or the experiences we've had, good or bad. O'Michael never really fancied himself a poet until the loss of his wife, after which his mind yearned for outlet. He found that outlet in the written word. In his poems, he travels the world through his imagination to fictional places like the future Earth scorched from the apocalypse to real-life locales like the soothing prairie lands of today. He uses simple language and vivid imagery to transport the reader to literal locations as well as places hidden deep within the soul. O'Michael

hopes to invoke a smile or perhaps bring a tear but most of all he wants readers to realize life is a miraculous gift not to be overlooked Take a moment to slow down and feel the pull of Love Inspiration and Adventure **Canadian Bookman**, 1927

The Prairie Wife Arthur Stringer, 2020-09-28 Splash That's me Matilda Anne That's me falling plump into the pool of matrimony before I've had time to fall in love And oh Matilda Anne Matilda Anne I've got to talk to you You may be six thousand miles away but still you've got to be my safety valve I'd blow up and explode if I didn't express myself to some one For it's so lonesome out here I could go and commune with the gophers This isn't a twenty part letter my dear and it isn't a diary It's the coral ring I'm cutting my teeth of desolation on For every so long I've simply got to sit down and talk to some one or I'd go mad clean stark staring mad and bite the tops off the sweet grass It may even happen this will never be sent to you But I like to think of you reading it some day page by page when I'm fat and forty or what's more likely when Duncan has me chained to a corral post or finally shut up in a padded cell For you were the one who was closest to me in the old days Matilda Anne and when I was in trouble you were always the staff on which I leaned the calm eyed Tillie on the spot who never seemed to fail me And I think you will understand But there's so much to talk about I scarcely know where to begin The funny part of it all is I've gone and married the Other Man And you won't understand that a bit unless I start at the beginning But when I look back there doesn't seem to be any beginning for it's only in books that things really begin and end in a single lifetime Howsomever as Chinkie used to say when I left you and Scheming Jack in that funny little stone house of yours in Corfu and got to Palermo I found Lady Agatha and Chinkie there at the Hotel des Palmes and the yacht being coaled from a tramp steamer's bunkers in the harbor So I went on with them to Monte Carlo We had a terrible trip all the way up to the Riviera and I was terribly sea sick and those lady novelists who love to get their heroines off on a private yacht never dream that in anything but duckpond weather the ordinary yacht at sea is about the meanest habitation between Heaven and earth But it was at Monte Carlo I got the cable from Uncle Carlton telling me the Chilean revolution had wiped out our nitrate mine concessions and that your poor Tabby's last little nest egg had been smashed In other words I woke up and found myself a beggar and for a few hours I even thought I'd have to travel home on that Monte Carlo Viaticum fund which so discreetly ships away the stranded adventurer before he musses up the Mediterranean scenery by shooting himself Then I remembered my letter of credit and firmly but sorrowfully paid off poor Hortense who through her tears proclaimed that she'd go with me anywhere and without any thought of wages imagine being hooked up by a maid to whom you were under such democratizing obligations But I was firm for I knew the situation might just as well be faced first as last So I counted up my letter of credit and found I had exactly six hundred and seventy one dollars American money between me and beggary Then I sent a cable to Theobald Gustav so condensed that he thought it was code and later on found that he'd been sending flowers and chocolates all the while to the Hotel de L'Athene the long boxes duly piled up in tiers like coffins at the morgue Then Theobald's aunt the baroness called on me in state She came in that funny old fashioned shallow landau of hers where she

looked for all the world like an oyster on the half shell and spoke so pointedly of the danger of international marriages that I felt sure she was trying to shoo me away from my handsome and kingly Theobald Gustav which made me quite calmly and solemnly tell her that I intended to take Theobald out of under secretaryships which really belonged to Oppenheim romances and put him in the shoe business in some nice New England town *Publication* University of California, Berkeley,1917
