Prairie Legacy:

Sod and Stubble John Ise, 1996 A few years ago as I listened one night to my mother telling incidents of her life pioneering in the semi arid region of Western Kansas it occurred to me that the picture of that early time was worth drawing and preserving for the future and that if this were ever to be done it must be done soon before all of the old settlers were gone This book is the result an effort to picture that life truly and realistically It is the story of an energetic and capable girl the child of German immigrant parents who at the age of seventeen married a young German farmer and moved to a homestead on the wind swept plains of Kansas where she reared eleven of her twelve children and remembering regretfully her own half day in school sent nine of them through college It is a story of grim and tenacious devotion in the face of hardships and disappointments devotion that never flagged until the long hard task of near a lifetime was done John Ise from the preface Deeply moved by his mother s memories of a waning era and rapidly disappearing lifestyle John Ise painstakingly recorded the adventures and adversities of his family and boyhood neighbors the early homesteaders of Osborne County Kansas First published in 1936 his nonfiction novel Sod and Stubble has since become a widely read and much loved classic In the original Ise changed some identities and time sequences but accurately retained the uplifting and disheartening realities of prairie life Von Rothenberger brings us a new annotated and expanded edition that greatly enhances Ise s timeless tale He includes the entire first edition replete with Ise s charm wit and veracity restores four of Ise s original chapters that have never been published and adds photographs of many of the key characters In his notes Rothenberger reveals the true identity of Ise s family and neighbors provides background on their lives and places events within a wider historical and geographical context Ushering us through a dynamic period of pioneering history from the 1870s to the turn of the century Sod and Stubble abounds with the events and issues fires and droughts parties and picnics insect infestations and bumper crops prosperity and poverty divisiveness and generosity births and deaths that shaped the lives and destinies of Henry and Rosa Ise their family and their community One hundred and twenty five years after Osborne County was organized and Henry Ise homesteaded his claim a corner of nineteenth century Kansas social history remains safeguarded thanks to the tenacity of John Ise and the insight of Von Rotheberger who enlivens Ise s story with revealing detail **Protected Land**

Douglas J. Spieles, 2010-09-02 By many measures Earth s ecosystems are stressed Actually it may be more accurate to say that Earth s remaining ecosystems are stressed The fact is that most of the planet s biomes support only a fraction of the biological communities they once did primarily because humans have converted large areas of land to alternate uses More than two thirds of the global temperate forests half of the grasslands even a third of desert ecosystems have been conscripted for human uses like agriculture construction harvest and extraction Cultivation alone covers a quarter of the habitable terrestrial surface Aquatic ecosystems have not fared any better An estimated half of the world s wetlands are gone particularly those of coastal regions or on arable land About a fifth of the coral reefs and a third of the m grove swamps of a

century ago have been lost in just the last few decades The volume of water impounded by dams quadrupled over the same period it now far exceeds the volume of water in unimpeded rivers Millennium Ecosystem Assessment 2005 Mitsch and Gosselink 2007 So any assessment of ecosystem status is necessarily an analysis of fragments and remnants and many of these are degraded by one or more anthropogenic stressors

A Searching Heart Janette Oke,2008-08 In this bestselling novel Virginia must learn the priorities that God has in mind for her as she makes plans for college

Conservation in Highly Fragmented Landscapes Mark Schwartz,2012-12-06 Mark W Schwartz Soon after we came into extensive meadows and I was assured that those meadows continue for a hundred and fifty miles being in winter drowned lands and marshes By the dryness of the season they were now beautiful pastures and here presented itself one of the most delightful prospects I have ever beheld all low grounds being meadow and without wood and all of the high grounds being covered with trees and appearing like islands the whole scene seemed an elysium Capt Thomas Morris 1791 I am sitting in a 60 mile an hour bus sailing over a highway originally laid out for horse and buggy The ribbon of concrete has been widened and widened until the field fences threaten to topple into the road cuts In the narrow thread of sod between the shaved banks and the toppling fences grow the relics of what once was Illinois the prairie

Once Upon a Summer (Seasons of the Heart Book #1) Janette Oke,2010-05-01 Josh Jones realizes his family isn't typical but it's the only life he's ever known Aunt Lou Gramps Uncle Charlie Grandpa they all have shaped the young man he has become But as he grows into manhood Josh begins to face important questions about life love and faith Three million books sold in the series

Keystone Oil Pipeline Project, Applicant for Presidential Permit, TransCanada Keystone Pipeline, LP ,2008 **Annual Report** Colorado. State Board of the Great Outdoors Colorado Trust Fund,2010

The Birthright (Song of Acadia Book #3) Janette Oke,T. Davis Bunn,2001-02-01 The Thread Binding Them Together As Sisters Is All Too Fragile The bittersweet reunion of the Robichaud family and the Harrows in the land of the Acadians has brought two mothers and two daughters full circle They rekindle those early bonds and experience restoration of those lost years but time and tragedy have left their indelible imprints on all who have endured the decades of separation and uncertainty Moving forward with their lives now means further farewells not as devastating as the one long ago but no less heart wrenching Their connection which goes beyond that of sisters to best friends will be tested by the coming Revolution and the lure of England parted again the reunited but for how long Can their friendship sustain the startling revelation concerning The Birthright

Iowa Conservationist ,2002

The Sword of Saint Paul Duncan F. Robertson,1982 In 1983 the Roman Catholic Diocese of Saskatoon celebrated the 50th anniversary of its establishment by a decree of Pope Pius XI This is a chronological account of those first fifty years It is set in three parts The first describes the origins growth and development and gives some idea how the diocese came to be what it is today The second shows what its people have done with their lives in various apostolates And the third provides short accounts of the parishes and missions in which these things have happened

The Publishers Weekly ,1999
