Pray As You Can Discovering Your Own Prayer Ways:

Pray This Way to Connect with God Hal Green, 2023-01-03 Prayer is the singular bridge between you and God. The state of your prayer life is the state of your God relationship. It is as vital to your well-being to develop a flourishing prayer life as it is to develop satisfying communication with loved ones. If you seek to know God personally, this book will assist you in your seeking as well as in your finding. If you want to transform your prayers from a monologue with you merely addressing God to a dialogue with God also addressing you, this book is for you. It will guide you from what prayer is to how to pray from breath prayers all the way to contemplative prayer. *Pray as You Can* Jean Gill, 1989 Jungian in its orientation, this book distinguishes between the conscious or ego self and the inner or unconscious self. The author encourages her readers to explore new forms of prayer. She suggests ways to enable them to let go of their ego self control, free their imaginations, and trust their inner selves to seek God in creative and vibrant ways. Drawing on her experiences in retreats and as a spiritual director, the author opens windows of prayer in the house of the self. She shows her readers the picture windows of imagination and dreams, the rattling windows of distractions and feelings, the stained glass windows of Scriptural prayer, and the bay windows of outward expression such as art, writing, music, and dance. And she provides guidance for discerning the direction of the Spirit of God.

Praying Personalities Janet Holm McHenry, 2024-02-13 Discover the particular way God designed you to connect with Him through prayer. You should pray in the morning. You should write out your prayers. You should make prayer lists and pray through them every day. You should pray with others or out loud. We've all heard the you shoulds of prayer from pulpits, presenters, and well-meaning friends. But when none of these ways to pray feel natural, what's next? Janet Holm McHenry has studied prayer extensively, and the one thing she knows for sure is that there's no one-size-fits-all way to pray. Instead, there are different styles of prayer, and by discovering the style most instinctive to each individual personality, staying in touch with God throughout the day becomes simple and all the more joyful. In this book, the author helps readers determine their particular praying personality by examining the praying styles of biblical people, spiritual gifts, and various ideas about personality, including the classic temperaments, the Enneagram, and more. McHenry includes scores of bulleted suggestions for developing a praying lifestyle that works for individuals. She has also created a Praying

Personality Quiz for readers available in the book and online to help narrow down the style that will most naturally fit into how they process a prayer life Whether a longtime Christian who has tried various prayer strategies but can't keep up or a new believer looking to learn about this spiritual discipline every reader who dives into this book will come away with a renewed prayer life and a greater understanding of who God created them to be How to Keep a Spiritual Journal Ron Klug, 2001-12-01 A comprehensive handbook for starting and keeping a spiritual journal *Living with Certainty* Kristi LeBlanc, 2010-07 The author founder and CEO of Living with Certainty LLC presents her multi faceted approach to creating a life of deep soul joy Includes information on dwelling with awareness and sensing universal interconnectivity discovering your individual soul view resonating high frequency energy vibrations to align with your spiritual power frequency eliminating static inducing elements in thoughts beliefs relationships and actions listening to an internal instruction system and following the universal guidance inherent in signs signals symbols and synchronicities The way of life, a book of prayers, compiled by a priest [E.
