Digitales Lesen Susanne Düwell, Nicolas Pethes, 2025-11-15 In der Debatte über Digitalisierung sind Techniken und Praktiken des digitalen Lesens zu einem viel diskutierten Gegenstand geworden. Kulturkritischen Befürchtungen, dass mit dem Ende der Gutenberg-Galaxis die Fähigkeit zu vertieftem Lesen (deep reading) und Reflektieren bedroht sei, stehen kulturwissenschaftliche Beschreibungen des pädagogischen, epistemologischen oder ästhetischen Potentials neuer Lektörpraktiken und der Affordanzen neuer Lesemedien gegenüber. Die Beiträge des Bandes analysieren aus literatur- und medienwissenschaftlicher Perspektive aktuelle Diskurse über digitales Lesen sowie literarische Reflexionen des Digitalen in fiktionalen Leseszenen der Gegenwartsliteratur. *The Business of Being a Writer, Second Edition* Jane Friedman, 2025-04-18 A thoroughly revised edition of the comprehensive guide to building and maintaining a successful career in writing. Writers talk about their work in many ways: as an art, as a calling, as a lifestyle. Too often missing from these conversations is the fact that writing is also a business, and those who want to make a living from their writing must understand the basic business principles underlying the industry. *The Business of Being a Writer* offers the business education writers need but so rarely receive. Jane Friedman is one of today's leading experts on the publishing industry. Through her website, social media presence, online courses, email newsletters, and other media, she helps writers understand how to navigate the industry with confidence and intentionality. This book advises writers on how to build a platform in a way that aligns with their values, how to spot critical mindset issues that might sabotage their efforts before they even begin, how to publish strategically, and what it means to diversify income streams beyond book sales. For this second edition, Friedman has updated every topic to reflect how the industry has evolved over the past half decade. New features include a section on business and legal issues commonly faced by writers, exercises at the end of each chapter, and a wealth of sample materials posted on a companion website. Reaching beyond the mechanical aspects of publishing, *The Business of Being a Writer* will help both new and experienced writers approach their careers with the same creative spirit as their writing. Friedman is encouraging without sugarcoating reality, blending years of research with practical advice that will help writers market themselves and maximize their writing-related income. Her book will leave them empowered, confident, and ready to turn their craft into a sustainable career. *The Whole-School Community Read* Margaux DelGuidice-Calemmo, Jeannette Balantic, 2025-10-30 A comprehensive resource for librarians and teachers who want to implement a whole-school community reading program in their schools. Community reading programs can foster a love of reading, increase student engagement, build a community of readers, and simultaneously improve literacy. Yet it can be daunting to begin a new program at a busy school. This guidebook provides a clear roadmap for librarians and teachers who wish to try a whole-school community reading program with all ages of learners. Beginning with a history of whole-school reads, authors DelGuidice-Calemmo and Balantic describe how a community reading program can work for students at all levels and promote family connections.

through reading They offer advice on finding funding building successful collaborations within the school community and allowing students to have a voice in book selection Marketing makerspace and promotion ideas help encourage participation Learn how to use informal checkpoints and a final celebration to sustain and celebrate participants Finally come away with strategies to assess these programs and try variations to increase engagement Appendixes of resources provide practical tools for those ready to begin planning their own program
