Regulations for the Army of the United States, 1895 United States. War Department, 1895 **United States Code**
United States, 1982 United States Code: Title 10: Armed forces [sections] 1431-7921 , 2013 Preface 2012 edition The
United States Code is the official codification of the general and permanent laws of the United States The Code was first
published in 1926 and a new edition of the code has been published every six years since 1934 The 2012 edition of the Code
incorporates laws enacted through the One Hundred Twelfth Congress Second session the last of which was signed by the
President on January 15 2013 It does not include laws of the One Hundred Thirteenth Congress First session enacted
between January 3 2013 the date it convened and January 15 2013 By statutory authority this edition may be cited U S C
2012 ed As adopted in 1926 the Code established prima facie the general and permanent laws of the United States The
underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy In 1947
Congress began enacting individual titles of the Code into positive law When a title is enacted into positive law the
underlying statutes are repealed and the title then becomes legal evidence of the law Currently 26 of the 51 titles in the Code
have been so enacted These are identified in the table of titles near the beginning of each volume The Law Revision Counsel
of the House of Representatives continues to prepare legislation pursuant to 2 USC 285b to enact the remainder of the Code
on a title by title basis into positive law The 2012 edition of the Code was prepared and published under the supervision of
Ralph V Seep Law Revision Counsel Grateful acknowledgment is made of the contributions by all who helped in this work
