The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics. Sports Business Management George Foster, Norm O'Reilly, Antonio Dávila, 2020-08-09 This new edition of a widely adopted textbook equips students with a comprehensive understanding of the sport industry. With a focus on management, strategy, marketing, and finance, the decision-making approach of the book emphasizes key concepts while translating them into practice. Content specific to each of the vital stakeholders in the sport business is included. Foster, O'Reilly, and Dávila present a set of modular chapters supported with international examples. Supplementary materials available to instructors include mini cases, full case studies, activities in class, lecture materials, and exercises to help students apply the decision-making approach to real-world situations. The book includes content about sport organizations such as the Olympic Games, FIFA World Cup, the European Premier Leagues, and Major North American Professional Sport Leagues. Stanford cases are updated for the second edition, and entirely new chapters cover the latest topics including esports, sports gambling, fantasy sports, and crisis management. This is an ideal textbook for upper-level undergraduate and postgraduate students of sports business and management. Sports, Media, and Society Kevin Hull, 2024-03-26 Details how sports media and social issues intersect outside the playing field. Featuring a unique blend of theory, discussion topics, and pertinent case studies, the text takes students beyond the how-tos of creating content to understanding the whys behind it. **Routledge Handbook of Football Business and Management** Simon Chadwick, Daniel Parnell, Paul Widdop, Christos Anagnostopoulos, 2018-11-19 Soccer is the world's most valuable sport, generating bigger revenues as well as being watched and played by more people than any other. It is virtually impossible to understand the business of sport without understanding the football industry. This book surveys contemporary football in unparalleled breadth and depth. Presenting critical insights from world-leading football scholars and introducing football's key organisations, leagues, and emerging nations, it explores key themes from governance and law to strategy and finance, as well as cutting-edge topics such as analytics, digital media, and the women's game. This is essential reading for all students, researchers, and practitioners working in football, sport business, sport management, or mainstream business and management.
