The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

The Price Armen Keteyian, John Talty, 2024-08-27 An explosive tell-all book. Sports Illustrated. This is a must-read masterpiece. Paul Finebaum, ESPN college football analyst and New York Times bestselling author. Two of the nation's most respected sports journalists team up for a vital, hard-hitting investigation into the tumultuous state of big-time college football. We are living in the Wild West of college sports. Name, Image, and Likeness endorsements, the transfer portal, collectives, conference realignment—the powerful influence of media companies has all rendered the notion of amateur athletics a quaint relic of the past, replaced by a Brave New World where money and self-interest rule. The Price is a sweeping, in-depth, thought-provoking look at an inflection point in big-time college football. Six-time New York Times bestselling author Armen Keteyian and award-winning national college football reporter John Talty conducted more than two hundred wide-ranging interviews with head coaches, athletic directors, conference commissioners, administrators, politicians, power brokers, agents, and media executives from one corner of the sport to the other. They reveal never-before-reported details on major players such as Nick Saban, Jim Harbaugh, Kirby Smart, Jimbo Fisher, and Lane Kiffin. Keteyian and Talty's reporting also lays bare the machinations that destroyed the historic conference that was the Pac 12, purely in the name of greed. As the sport's premier coaches race for the exits, Keteyian and Talty reveal deep, dark truths about a beloved game under siege and the financial, physical, emotional, and psychological toll taken on everyone whose dreams and fortunes often depend on the final score on a Saturday afternoon.
