Baderin, 2017-03-02 Islamic law influences the lives of Muslims today as aspects of the law are applied as part of State law in different forms in many areas of the world This volume provides a much needed collection of articles that explore the complexities involved in the application of Islamic law within the contemporary legal systems of different countries today with particular reference to Saudi Arabia Morocco Indonesia Nigeria Turkey Malaysia and Pakistan The articles identify the relevant areas of difficulties and also propose possible ways of realising a more effective and equitable application of Islamic law in the contemporary world The volume features an introductory overview of the subject as well as a comprehensive bibliography to aid further research The Practical Laws of Islam Sayyed Ruhollah Mousavi KHOMEINI (Ayatollah.), 1985 **An Introduction to the Islamic Shari'ah** Sayyid Muhammad Rizvi, The Practical Laws of Islam Rūḥ Allāh Ḳumaynī, 1985 **Administration of Islamic Law in Malaysia** Farid Sufian Shuaib, Tajul Aris Ahmad Bustami, Mohd. Hisham Mohd. Kamal, 2001 Issues in Islamic Law Mashood A. Baderin, 2017-07-05 Islamic substantive law otherwise called branches of the law *furu al fiqh* covers the textual provisions and jurisprudential rulings relating to specific transactions under Islamic law It is to Islamic substantive law that the rules of Islamic legal theory are applied The relationship between Islamic legal theory and Islamic substantive law is metaphorically described by Islamic jurists as a process of cultivation *istithmar* whereby the qualified jurist *mujtahid* as the cultivator uses relevant rules of legal theory to harvest the substantive law on specific issues in form of fruits *thamarat* from the sources The articles in this volume engage critically with selected substantive issues in Islamic law including family law law of inheritance law of financial transactions criminal law judicial procedure and international law *al siyar* These areas of substantive law have been selected due to their contemporary relevance and application in different parts of the Muslim world today The volume features an introductory overview of the subject as well as a comprehensive bibliography to aid further research *Practical Laws of Islam* Sayyid Ali Hosseini Khamenei, 2014-02-25 This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world You may read this book carefully and should you be interested to have further study on such publications you can contact us through www.shia.es Naturally if we find you to be a keen and energetic reader we shall give you a deserving response in sending you some other publications of this Organization **The Rule of Law, Islam, and Constitutional Politics in Egypt and Iran** Said Amir Arjomand, Nathan J. Shari'ah and Common Law Adnan Trakic, 2022-10-24 Harmonisation of law a term that refers to the bringing together of two different legal traditions has developed a negative connotation when considered in the context of Shari ah and common law Harmonisation began to be looked at as an attempt by one legal system to impose its values on the other A major reason for that is the lack of understanding of the scope to which these two legal traditions converge One of the principal findings of this book is that Shari ah and common law have many more commonalities than differences As a result the need for harmonisation between the two might have been exaggerated The similarities do not need to be harmonised Rather they need to be acknowledged and appreciated If the differences between Shari ah and common law which undoubtedly exist as evidenced in this book are viewed with an appreciation of the commonalities the ambience to reconcile the differences would be more conducive to the harmonisation process This book is intended to help readers better understand Shari ah and common law and aid harmonisation efforts when the need arises *Echo of Islam* , 1994 Encyclopaedia of Islamic Law: Civil law in Islam Arif Ali Khan, Tauqir Mohammad Khan, 2006
