Practice Of Political Spirituality Episodes From The Public Career Of Abraham Kuyper 18791918:

The Re-enchantment of Political Science Thomas W. Heilke, Ashley Woodiwiss, 2001-01-01 Religion and politics appear together in newspaper headlines more today than ever before Questions about the relationship between religion and politics on theoretical historical and behavioral levels are likewise heavily debated behind the front pages by scholars in political science who demonstrate the new Christian thinking The Re Enchantment of Political Science engages these scholars in an interdisciplinary conversation concerning the identity and ends of Christian political science It considers whether and to what extent the community of Christian scholarship within its own narrative religious traditions can add a distinctive and significant dimension to the discipline of political science Contributors also explore how the new Christian thinking informs political theory and its subfields including liberalism communitarianism and critical theory Finally the book describes how policy studies are possible within a Christian framework using standard scholarly tools of analysis The Re Enchantment of Political Science in revealing the growing theoretical and methodological sophistication of faith informed political science charts the terrain of political science today

The Routledge Companion to Modern Christian Thought Chad Meister, James Beilby, 2013-10-28 This Companion provides an unrivalled view of the field of modern Christian thought from the Enlightenment to the twentieth century and beyond Written by an outstanding team of theologians and philosophers of religion it covers the following topics within Christian thought Key figures and influencers Central events and movements Major theological issues and key approaches to Christian Theology Recent topics and trends in Christian thought Each entry is clear and accessible making the book the ideal resource for students of Christian thought and history and philosophy of religion and a valuable reference for professional theologians and philosophers

Political Visions & Illusions David T. Koyzis, 2019-05-07 In this freshly updated comprehensive study political scientist David Koyzis surveys the key political ideologies of our era unpacking the worldview issues inherent to each and pointing out essential strengths and weaknesses Writing with broad international perspective Koyzis is a sensible guide for Christians working in the public square culture watchers and all students of modern political thought

Trinity and Organism James Eglinton, 2012-03-29 This book explores the organic motif found throughout the writings of the Dutch Calvinist theologian Herman Bavinck 1854 1921 Noting that Bavinck uses this motif at key points in the most important loci of theology Christology general and special revelation ecclesiology and so forth it seems that one cannot read him carefully without particular attention to his motif of choice the organic By examining the sense in which Bavinck views all of reality as a beautiful balance of unity in diversity James Eglinton draws the reader to Bavinck's constant concern for the doctrine of God as Trinity If God is the Father the Son and the Holy Spirit Bavinck argues the creation must be more akin to an organism than a machine Trinity and organism are thus closely linked concepts Eglinton critiques and rejects the two Bavincks one orthodox and the other modern hermeneutic so commonplace in discussions of Bavinck's theology Instead this book argues for a reunited Herman Bavinck as a figure

committed to the participation of historic orthodox theology in the modern world **Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics **Calvinist Trinitarianism and Theocentric Politics** Arnold Albert Ruler, 1989 A comprehensive introduction to an English speaking audience of Arnold van Ruler's trinitarian theology and theocentric socio political vision *Gestaltwerdung Christi der Welt Theologie van het Apostulat* The introductory essay by the translator locates van Ruler's thought in the context of Calvinism in general and Dutch Calvinism in particular and considers the relevance of van Ruler's theology for North American social ethics including current discussions about the need for public theology **The Practice of Political Spirituality** McKendree R. Langley, 1984-01-01

Religion, Pluralism, and Public Life Luis E. Lugo, 2000 Abraham Kuyper's Christian vision of society communicated in the famous Stone Lectures one hundred years ago remains influential worldwide In this volume an international cast of scholars reflects on Kuyper's social and political thought and its meaning for contemporary public life These penetrating essays explore from an interdisciplinary perspective how a Christian worldview can help address the most pressing issues of twenty first century civilization religious pluralism civil society and globalization **A Free Church, a Holy Nation** John Bolt, 2001 In addition to considering such key issues as poverty wealth and power theocracy and pluralism civil religion the culture wars and political cooperation between evangelicals and Roman Catholics Bolt also draws extended comparisons between Kuyper's views and the thought of Alexis de Tocqueville Lord John Acton Pope Leo XIII Walter Rauschenbusch and Jonathan Edwards A distinctive feature of this study is its focus on the rhetorical poetic character of Kuyper's public theology and practice as a political leader Bolt shows how focusing on Kuyper's rhetorical and mythopoetic perspective rather than on his theological and philosophical ideas provides contemporary evangelicals with a more credible and effective theology for the public square Jacket Religion and Society B. J. Van der Walt, 1999 **Confessing Christ in Doing Politics** Rita Swanepoel, 1995 **The Realm of Reform** R. D.
