Practicing Safer Texts:

Practicing Safer Texts Kenneth Stone, 2005-05-30 This book uses the ubiquitous comparison between food and sex as a framework for examining a number of texts from the Hebrew Bible as well as later readings of those texts and interpretive issues raised by the texts A range of biblical texts in which both food and sex appear are analyzed in an interdisciplinary fashion with the help of both traditional tools of biblical scholarship and less traditional tools such as Queer studies and cultural anthropology By utilizing a reading lens that relates food and sex to one another intentionally rather than treating them separately the book will among other things question the tendency of readers of the Bible to overstress the gravity of sexual matters in relation to other matters of potential ethical theological exegetical and cultural concern such as food At the same time as the title Practising Safer Texts indicates the book also proposes a pragmatic approach to biblical interpretation that uses strategies of safer sex as a sort of loose model Such an approach assesses texts and readings of the Bible not in a universalizing fashion but rather in terms of their likely effects for good or ill on particular readers in particular contexts and situations just as notions of safer sex ask us to assess sexual acts not in a moralizing fashion but rather in terms of their likely effects on particular persons

Secularism and Biblical Studies Roland Boer, 2016-09-17 What is secular biblical criticism Secularism and Biblical Studies presents a selection of essays that examine the nature of secular biblical studies and its hermeneutical principles The essays outline and analyse debates within biblical studies over the issue of secularism and explore the interplay of atheism agnosticism and faith in the interpretation of the Bible The book argues for a hermeneutics of suspicion and a wider engagement with cultural literary and anthropological disciplines Examining biblical hermeneutics from a range of perspectives from Europe Israel and the USA Secularism and Biblical Studies offers a provocative and challenging approach that will be of interest to all students and scholars of the Bible

Men and Masculinities in Christianity and Judaism Bjorn Krondorfer, 2013-02-12 Bjorn Krondorfer one of the leading

scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men s privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study

Gendered Violence in Biblical Narrative Esther Brownsmith, 2024-04-15 This book uses three examples of violent biblical stories about women explored through the lens of conceptual metaphor theory in relation to culinary language used within these texts to examine wider issues of gender and sexual violence in the Hebrew Bible Utilising the tools of conceptual metaphor theory feminist criticism and classic textual analysis Brownsmith interrogates some of the most troubling biblical passages for women neither by redeeming them nor by condemning them but by showing how they are intrinsically shaped by the enduring metaphor of woman as food in the Hebrew Bible ancient Near East and beyond The volume explores three main case studies the Levite s concubine Judges 19 Tamar and Amnon 2 Sam 13 and the life and death of Jezebel primarily 1 Kings 21 and 2 Kings 9 All depict violence toward a woman as perpetrated by a man interwoven with culinary language that cues their metaphorical implications In these sensitive but critical readings of violent tales Brownsmith also draws on a broad range of interdisciplinary connections from Ricoeur to ancient Ugaritic epics to modern comic books Through this approach readers gain new insights into how the Bible shapes its narratives through conceptual metaphors and specifically how it makes meaning out of women s brutalized bodies *Gendered Violence in Biblical Narrative The Devouring Metaphor* is suitable for students and scholars working on gender and sexual violence in the Hebrew Bible and the ancient Near East more broadly as well as those working on conceptual metaphor theory and feminist criticism

The Fat Jesus Lisa Isherwood, 2008 We are living in a food and body image obsessed culture We are encouraged to over consume by the marketing and media that surround us and then berated by those same forces for doing so At the same time we are bombarded with images of unnaturally thin celebrities who go to enormous lengths to retain an unrealistic body image either by extremes of dieting or through plastic surgery or both The spiritual realm is not immune from these pressures as can be seen in the flourishing of biblically and faith based weight loss programs that encourage women to lose weight physically and gain spiritually Isherwood examines this environment in light of Christian tradition which has often had a difficult relationship with sexuality and embodiment and which has promoted ideals of restraint and asceticism She argues that part of the reason for our current obsession and bizarre treatment of issues around weight size and looks is that secular society has unknowingly absorbed many of its negative attitudes towards the body from its Christian heritage Isherwood argues powerfully that there are resources within Christianity that can free us from this thinking and lead us towards a more holistic incarnational view of what it is to be human *The Fat Jesus* provides a fascinating study of the complex ways that food women and religion
