Offside! Tim Connor, Kelly Dent, 2006 **Accounting Principles** Jerry J. Weygandt, Paul D. Kimmel, Donald E.

Kieso, 2018-02-28 Weygandt's Accounting Principles continues to provide students with a trusted and clear introduction to fundamental accounting concepts which has made this best selling text so popular. Helping students get the most out of their accounting course by making practice simple, the new edition continues to present the accounting cycle from a sole proprietor perspective whilst providing the latest IFRS integration throughout. Separate references to GAAP are made at the end of each chapter for courses where needed. To maximise student achievement, a plethora of additional teaching and learning resources will be available including self tests, exercises, templates, videos and more. Using metric units and companies with a more global feel, this new text is ideal for courses across the world. **Management and Cost**

International Financial Reporting Standards Jerry J. Weygandt, Paul D. Kimmel, 2022-07-20. An essential and intuitive treatment of financial accounting with an international perspective. The use of International Financial Reporting Standards is growing rapidly both outside of the United States and within, especially as IFRS incorporates more US GAAP rules. In the newly updated fifth edition of Financial Accounting with International Financial Reporting Standards, a team of accomplished financial practitioners and educators delivers the newest version of their highly anticipated text. This important work offers practical end of chapter exercises and practice problems complete with foreign currency examples as well as an emphasis on non-US companies and examples. It is perfect for accounting students seeking exposure to internationally utilized accounting standards. *eBook: Corporate Finance 5e* David Hillier, 2024-02-12. The fifth European edition of Corporate Finance takes an applied approach to cover all the latest research and topic areas important to students taking Finance courses. The new edition provides an international perspective on all areas of corporate finance and has been updated to include discussion on current trends such as the integrated nature of global supply chains, financial risk management and key regulatory changes impacting the sector. It addresses the impact that FinTech, the climate and geopolitics are having on the development of corporate finance, considers the questions brought about by the global coronavirus pandemic and looks to the future of the industry. Understanding and Application. Clear user friendly style. Example boxes in every chapter provide hypothetical
