A World Without "Whom" Emmy J. Favilla, BuzzFeed, 2017-11-14 A provocative and jaunty romp through the dos and don'ts of writing for the internet. NYT the practical, the playful and the politically correct from BuzzFeed copy chief Emmy Favilla. A World Without Whom is Eats, Shoots & Leaves for the internet age and BuzzFeed global copy chief Emmy Favilla is the witty go-to style guru of webspeak. As language evolves faster than ever before, what is the future of correct writing? When Favilla was tasked with creating a style guide for BuzzFeed, she opted for spelling, grammar and punctuation guidelines that would reflect not only the site's lighthearted tone but also how readers actually use language IRL. With wry cleverness and an uncanny intuition for the possibilities of internet-age expression, Favilla makes a case for breaking the rules laid out by Strunk and White. A world without whom, she argues, is a world with more room for writing that's clear, timely, pleasurable and politically aware. Featuring priceless emoji strings, sidebars, quizzes and style debates among the most lovable word nerds in the digital media world of which Favilla is queen, *A World Without Whom* is essential for readers and writers of virtually everything: news, articles, blog posts, tweets, texts, emails and whatever comes next, so basically everyone.

The Unprotected Class Jeremy Carl, 2024-04-23 Anti-white racism, undisguised and unembarrassed, is now official policy in America. One class of citizens, whites, is openly discriminated against in every sphere of public and private life. *The Unprotected Class* is a comprehensive explanation of how we got here and what we must do to correct a manifest and dangerous injustice. Launched with an appeal to justice for all, the civil rights movement went off the rails even as it achieved its original goals. Soon its excesses and failures were exploited to justify discrimination against whites in business, education, law, entertainment and even the church. With the death of George Floyd and the shedding of all pretense of racial justice, vindictiveness, resentment and hatred were unleashed in America.
