Age of Auto Electric Matthew N. Eisler, 2022-12-06 The electric vehicle revival reflects negotiations between public policy which promotes clean fuel efficient vehicles and the auto industry which promotes high performance vehicles Electric cars were once as numerous as internal combustion engine cars before all but vanishing from American roads around World War I Now we are in the midst of an electric vehicle revival and the goal for a sustainable car seems to be within reach In Age of Auto Electric Matthew N Eisler shows that the halting development of the electric car in the intervening decades was a consequence of tensions between environmental energy and economic policy imperatives that informed a protracted reappraisal of the automobile system These factors drove the electric vehicle revival argues Eisler hastening automaking's transformation into a science based industry in the process Challenging the common assumption that the electric vehicle revival is due to the development of better batteries Age of Auto Electric instead focuses on changing environmental and socioeconomic conditions energy and environmental policies systems of energy conversion and industrial production and innovation practices that affected the prevalence and popularity of electric vehicles in recent decades Eisler describes a world in transition from legacy to alternative energy conversion systems and the promises compromises new problems and unintended consequences that enterprise has entailed

The Perfect Father John Glatt, 2020-07-21 In The Perfect Father New York Times bestselling author John Glatt reveals the tragedy of the Watts family whose seemingly perfect lives played out on social media but the truth would lead to a vicious and heartbreaking murder In the early morning hours of August 13th 2018 Shanann Watts was dropped off at home by a colleague after returning from a business trip It was the last time anyone would see her alive By the next day Shanann and her two young daughters Bella and Celeste had been reported missing and her husband Chris Watts was appearing on the local news pleading for his family's safe return But Chris Watts already knew that he would never see his family again Less than 24 hours after his desperate plea Watts made a shocking confession to police he had strangled his pregnant wife to death and smothered their daughters dumping their bodies at a nearby oil site Heartbroken friends and neighbors watched in shock as the movie star handsome devoted family man they knew was arrested and charged with first degree murder The mask Chris had presented to the world in his TV interviews and the family's Facebook accounts was slipping and what lay beneath was a horrifying image of instability infidelity and boiling rage In this first major account of the case bestselling author and journalist John Glatt reveals the truth behind the tragedy and constructs a chilling portrait of one of the most shocking family annihilator cases of the 21st century

Billboard Music Week, 1972-04 *Inevitable* Mike Colias, 2025-02-04 A sweeping portrait of the EV transformation and what it means for all of us The question is no longer if electric vehicles will happen or even when they'll happen but how Veteran automotive reporter Mike Colias takes you inside the transformation in this thoroughly reported profile of the hard pivot in the car business a 2 trillion industry undergoing the biggest change in its 120 year history a change that is already sending ripples

across the entire global economy Colias documents the inevitable shift from pistons to electrons from every angle taking you inside the boardrooms where executives battle over their EV strategies to take on Tesla and more recently emerging Chinese powerhouses such as BYD He brings you to family run car dealerships deciding if they ll sell EVs or sell their businesses He follows entrepreneurs along lonely stretches of road that will soon need charging stations He talks to power train engineers whose skills were once the beating heart of the automotive industry but who now find themselves being replaced by coders This is an epic exploration that stretches from Detroit to Japan to Germany to China and from factories in Normal Illinois and Haywood County Tennessee to a burgeoning mining operation along the shores of California s briny lithium rich Salton Sea Inevitable is a deeply enjoyable and smart book that uses masterful storytelling to capture the expanse and dynamism of the transition to electric vehicles in profound detail bringing to life its seismic effects on everything and everyone *English Mechanic and Mirror of Science* ,1889 *English Mechanic and World of Science* ,1898 *Nuclear Physics* ,2004
