

Prayer for the gift of life

Father, we are so thankful for the gift of life. We appreciate the fact that You sent Your Son to die in our place even before we acknowledge You as God.

We're thankful that by believing in Your Son, we will receive the gift of eternal life. Thank You for accepting us into Your family through the blood of Your Son Jesus.

Help us to use this gift of life that You've given us to bring glory to Your name. In Jesus' name, we pray, Amen.

Baptism in Times of Change Harald Hegstad, Steinunn Arnþrúður Björnsdóttir, Magnus Evertsson, Jonas Adelin Jorgensen, Jyri Komulainen, 2025-04-10 What happened to baptism in Nordic countries Traditionally most newborns were baptized into the Lutheran majority churches The rapid decline of this practice in recent decades has sparked reflection on the church's role in society and on the cultural and theological meaning of baptism in a secularized society The decline of infant baptism has made way for new practices and ecclesial strategies This book analyzes these developments from historical social scientific and theological perspectives comparing material from the five Nordic Lutheran folk churches The essays gathered here provide an extensive overview of research and resources connected to baptism in the

Nordic folk churches over the last two decades but they also contribute constructive theological reflection on baptism's wider implications. This anthology emerged from the larger joint Nordic project Baptism in Times of Change conducted between 2020 and 2022. The project was part of the joint Nordic initiative Churches in Times of Change focusing on changes in ecclesial practice and theology in the Nordic region.

The teacher's Prayer book; the Book of common prayer, with introductions, analyses, and notes, by A. Barry Alfred Barry (bp. of Sydney), 1882 The Life of Prayer. A Series of Lectures William Henry Hutchings, 1885 God's Companions Samuel Wells, 2008-04-15. We are pleased to announce that God's Companions by Samuel Wells has been shortlisted for the 2007 Michael Ramsey Prize for theological writing www.michaelramseyprize.org.uk. Grounded in Samuel Wells' experience of ordinary lives in poorer neighborhoods, this book presents a striking and imaginative approach to Christian ethics. It argues that Christian ethics is founded on God, on the practices of human community, and on worship, and that ethics is fundamentally a reflection of God's abundance. Wells synthesizes dogmatic, liturgical, ethical, scriptural, and pastoral approaches to theology in order to make a bold claim for the centrality of the local church in theological reflection. He considers the abundance of gifts God gives through the practices of the Church, particularly the Eucharist. His central thesis, which governs his argument throughout, is that God gives his people everything they need to worship him, be his friends, and eat with him. Wells engages with serious scholarly material yet sets out the issues lucidly for a student audience.
