reads as an open letter to the author's students. The aim is to cut through the banality of much that passes for spiritual instruction today and to provide intellectually serious but accessible answers to questions typically posed by cynics and skeptics, conservative believers and persons attracted to the so-called new age religions. The author's Advice takes the form of a series of meditations on Truth, Virtue, Beauty and Prayer which Schuon regards as the fundamental elements in every authentic spiritual path. Covering a range of issues, both theoretical and practical, topics include proofs of God, the problem of evil, classical virtues, predestination and freedom, symbolism and cosmic hierarchy, sacred art, the relationship between spiritual method and grace, techniques of concentration and meditation, the role of the spiritual master and human destiny. The book concludes with an epilogue on Schuon's well-known thesis concerning the transcendent unity of religions.
