You Can Take It with You Doug Schmidt, 2006 In 1 Corinthians 3:11-15 Paul describes The Bema House a figurative structure that represents the spiritual quality of a Christian's life According to God's inspired Word every Christian chooses the materials with which to build this unique structure: stubble, hay, wood, gems, silver, or gold While grace alone assures us of God's love, how we live now still determines the responsibilities that await us in eternity Many Christians wonder: If I'm saved, what eternal difference will it make how I live now? How could there be levels of responsibility in heaven if all that matters is getting through the gates? Many believers are troubled by the concept of degrees of reward in heaven yet they still wonder what those rewards will be based upon If we're saved by faith alone, how can we be rewarded according to what we have done? Ps 62:12 Matt 16:27 Rom 2:6 etc This book answers the uneasy question asked by many Christians: Sure I trust God, but how much does He trust me? Features and Benefits: Teaches readers how to experience the abundant life now and for all eternity by uniquely describing what Jesus meant by treasure in heaven Challenges believers to think in a new way that intensifies their lives with greater purpose and hope

Your Jesus Is too Small Douglas J. Miller, 2018-02-06 We can make Jesus look very small if we are not careful *Your Jesus Is Too Small* explores how a trivialized Jesus contributes to a collapsed Christian moral character The 2016 election exposed the truth that for many Christians, character does not count or is a very low priority Eighty-one percent of white evangelicals voted for President Trump, not known as a man of high moral character This collapse of character is especially troubling since Christians claim to seek after the mind and character of Jesus Christ What's more, the ingrained and unrelenting cultural values combined with our inescapable self-centered pursuits bombard us every moment and blight our character After noting how we belittle Jesus, this book explores ways we can exalt him, allowing his character traits to inform and then transform our hearts and minds A credible Jesus also means that more tongues will confess him and more knees bow before him and that more people will desire his compassionate character Then we will be morally equipped to address the great crises of our day: persistent poverty, the marginalizing of outgroups, raging violence, and our planet's lingering woes

Building a Relationship with God and with Others John Onu Odihi, 2012-07 In a

world that seems to be turning away from God author John Onu Odihi writes from his heart about the Christian life and its challenges in the modern era Even while our culture emphasizes independence and moral relativism Odihi is unafraid to remind us that our victory can come only through loving and trusting God and living in obedience to him Building a Relationship with God and with Others helps us do just that with essays on such topics as gratitude patience and the mystery of God s love But the essays go beyond the theoretical to the real dynamics in our relationship not only with God but also with each other Reflections on how to live out our Christian faith address forgiveness encouragement the value of confession and ways to cope with fear You ll even find an essay on the difficult challenge of how to lovingly confront someone who is in the wrong Each section is followed by suggested biblical passages that you can return to again and again for support and reference Throughout this book is an emphasis on the joy and fulfilment that is ours when we learn to truly love not only our neighbours but our enemies Jesus ultimate message as we work to bring his kingdom to this earth Whether you re a new Christian or have been one for many years you ll welcome this chance to learn more and to deepen your understanding of what it means to walk with God *American Book Publishing Record* ,2003 **Pray Like Jesus** John R. Brokhoff,1994 Is it humanly possible to pray like Jesus Since God knows what we need even before we pray why bother to pray To what extent does one s relationship with God affect one s prayers With questions like these John Brokhoff takes you on a 13 chapter journey of prayer in Pray Like Jesus This book will help develop more effective prayer for persons and groups It examines and studies the nature of Jesus prayers It examines methods and techniques Jesus used It explores a theology of prayer and a study of prayers in the Bible which culminates with a study of the Lord s Prayer This book is ideal for personal use group study or a sermon series Each chapter concludes with a series of discussion questions Chapter titles include The Contents of Prayer The Variety of Prayer Prayer and Healing The Power of Prayer John R Brokhoff is former Professor of Homiletics Candler School of Theology Emory University He is a graduate of Muhlenberg College and the Lutheran Theological Seminary at Philadelphia His other popular CSS titles include Lectionary Preaching Workbook A B and C Preaching The Parables A B and C and Preaching The Miracles A B and C *The Lutheran Witness* ,1899 *In Defence of the Rightless* Franjo Komarica,1997 *After the Ceasefires* Brian Lennon,1995 In the context of The Forum for a New Ireland 1984 the Anglo Irish Agreement 1985 and the Downing Street Declaration 1993 Lennon addresses a number of unresolved questions which impede normalisation of society in Northern Ireland He makes the key distinction between nationalists who support the IRA and the majority of law abiding Catholics and questions whether these nationalists are capable of accepting democratic majority decisions The role of the United States in the continuing conflict is examined in the light of the author s advisory work with the New Ireland Forum and the Opsahl Commission This is a serious and balanced study of the issues and interests involved in the Northern Ireland problem **Donahoe's Magazine** ,1882 *The Historical Romances of Louisa Mühlbach Pseud: Frederick the Great and his court; tr. by Mrs. C.
