Prayer Partners Spiritual Enrichment For Your Marriage:

Prayer Partners Arnold Prater, 1987 *A Marriage After God's Own Heart* David Clarke, 2009-10-14 Isn't sexual or emotional intimacy enough? No says Christian psychologist Dr David Clarke. Spiritual bonding is the process by which a couple cultivates the presence of God in their relationship, he says, and it's the only glue that sustains relationships long term. Working with hundreds of couples, Clarke observes that when we take specific steps to keep God at the center of our relationships, every area of intimacy is energized. This book teaches men and women in a committed relationship how to pray together, create spiritual conversations, read and study Scripture together, hold private worship sessions, and allow the Holy Spirit to guide them. It's extremely practical counsel all couples need today. *Living in Difficult Relationships* Peter M. Kalellis, 2012 Peter Kalellis, a practicing psychotherapist and family counselor, offers here practical advice for spouses or those in a committed relationship that clarifies the potential within each person to make their marriage or relationship better. A good marriage begins with a man and a woman who form a loving relationship, psychologically sound, that provides stability, financial security, and material benefits. A serious relationship consists of personal needs, attitudes, ambitions, expectations, and issues that require solutions. Emphasis is placed on what one partner does and how the other responds. Feelings and attitudes, both conscious and unconscious, are gradually revealed, and reciprocal attention must be paid so they do not become obstacles in the relationship. The purpose of reciprocity is to bring emotional stability and happiness to both partners. The degree of satisfaction that each spouse derives from the other and the relationship depend on how well expectations are met. Most people pursue physical pleasures or various forms of self gratification. When I obtain this or am free of that, then I will be okay. Invariably, any satisfaction that we obtain, accumulation of material wealth or physical pleasure, is short lived and usually is projected onto the future. This mindset creates the illusion of happiness in the married life. True happiness can be attained as each spouse faces the realities of marriage and takes personal responsibility of his or her part. This book provides tools for a better relationship and suggests that the couple become aware of God's presence in their life. As our world is going through critical times, couples begin to realize that there is no satisfactory answer in whatever options society offers. But most people find comfort in returning to God, who is the source of life and provider of all good things.

Marriage on the Mend Clint Bragg, Penny A. Bragg, 2015-03-03 Every broken marriage has the hope of becoming a saved marriage. Approximately fifty percent of the couples who sign a marriage license will also sign on the dotted line of a divorce document. In order to turn the tide of this stark statistic, couples who have considered or experienced separation or divorce must be given real tools to reconcile, restore, and rebuild their relationships. *Marriage on the Mend* provides these tools for couples in crisis. Clint and Penny Bragg know what it means to be that couple. After being divorced for eleven years and living 3,000 miles from each other, they were remarried, but the difficult work of restoration continued long after that second ceremony. The Braggs know that couples who reconcile face a unique set of challenges, including unresolved

arguments poor communication habits unforgiveness and betrayed trust Biblically based materials are required to walk through this treacherous territory toward full healing and restoration This practical realistic book identifies roadblocks that may stall relationship progress recommends ideas to deepen intimacy offers solutions to effectively handle past hurts and conflicts and applies Scripture to every aspect of the process in order to proactively stabilize and safeguard the marriage At the end of each chapter the Braggs include a prayer for couples to share to help facilitate healing The one thing all broken relationships have in common is that true healing takes time Using the framework of Nehemiah s effort to restore Jerusalem s walls following the Israelite s exile and captivity Marriage on the Mend provides a clear framework for the restoration of relationships Library Journal ,1987-07 RIC. ,1988 The Cumulative Book Index ,1989 A world list of books in the English language American Book Publishing Record ,2006 **God's Plan** James Couture,2025-05-30 God s Plan is a book on Spiritual Direction and Faith Formation for Catholics in God s Providence it is being released during the Jubilee of Hope The intended audience is Lay Catholics who are recognising a desire to grow in their faith journey under good spiritual direction that is in order with the Tradition Magisterium and Saints Many Catholics in the world today are sensing this call from the Holy Spirit to seek out and receive spiritual direction that is reliable and life transforming What has been lacking is a resource that addresses this specific call and the subsequent journey God s Plan is a response to this renewal work of the Holy Spirit among Lay Catholics today The book is presented somewhat like a User Manual for the Lay Catholic It thoroughly and successfully explores the old things of the Faith Tradition with a new rigour and profound insights that draw on 2000 years of the lived faith journey As such it provides answers to the Questions Foundations and Sources of Spiritual Direction that will lead today s Lay Catholic toward a firmly rooted Faith Journey which bears the Peace Hope and Joy that Christ promised to His followers From the back cover In God s Plan you were made for this God has a plan for your faith journey and He wants you to know it Spiritual direction is how you will learn and live His Plan We live amidst a culture of confusion that presses itself against our minds and hearts Knowledge of reliable sources of spiritual direction has waned In face of the distractions deceptions and lures of the world many Catholics flounder in a sea of not knowing and not understanding the journey In God s Plan James Couture explores the facets of spiritual direction in the Tradition of the Church from earliest times up to the present A retired high school teacher of Catholic Studies and having spent the past seven years on a spiritual journey of suffering and Hope Couture takes on the challenge of bringing to light the Truths of the Tradition as a reliable map through the essential Questions Foundations and Sources of spiritual direction As a lay Catholic this map that will guide you on the journey of God s Plan for you **The Living Church** ,1976 **Marriage Savers** Michael J. Praying the Bible for Your Marriage David Kopp, Heather Kopp, Heather Harpham Kopp, 1998 You may not have heard of praying the Bible but that doesn't mean that concept is new In fact for centuries men and women have prayed the promises of the Bible back to God One of the greatest reasons is that there is tremendous power in praying God's truths back to him But perhaps most of all we pray the Bible because our hearts are radically changed when we focus on the desires of God and the magnificent truths in his Word Here are just a few of the many more reasons we should pray the Bible When we mine the gold of God's Word and enrich our prayers with Scripture We remind ourselves of what God has said and are able to claim his promises We avoid the trap of praying the same old thing Our prayer vocabulary is stretched and our prayers enlarged as we claim truths that are already settled in heaven We come to a more complete understanding of who God is and how he works in our lives We are able to more fully and lovingly express our thankfulness to the Lord We openly agree with God's truth allowing it to change us and those we love We are rescued from our human limitations Claiming Bible truths keeps us from reducing God to our own small human expectations We shift the focus of our prayers from human needs and feelings to God's character his promises his past faithfulness his goodness and even his extravagances with us We are assured that our prayers lie within and affirm God's will Christian couples who want to pray for their marriage but aren't sure where to start will appreciate this practical solidly biblical approach Also a great help for those who have been praying but feel like they're in a rut
