**Change Your Life** Becky Tirabassi, 1992      **Heal Your Life** Jean Maalouf, 2017-04-27 For our very survival and sanity we need God We need virtue We need character The good person brings good things out of a good treasure and the evil person brings evil thing out of an evil treasure Matthew 12 35 Godly people make all the difference in the world by striving to match the politics of the earth with the politics of the kingdom of God By talking about uncovering the healing power of faith hope love and prayer this book uncovers at the same time the secret of sanity the sanity that runs our lives at the individual level as well as at the national and international levels Sanity requires the rejection of the gods weve created by learning to focus on the God in whose image weve been created Billions of dollars are spent every year on the pursuit of physical perfection People do anything to become richer more powerful or more prestigious with improved appearances and more pleasing makeup in all domains as if the only value that really counts is the most attractive picture we are able to show In this very expensive race for the outside perfect masks the pursuit of inner beauty can often be pushed aside when this inner beauty is

by far more important than the outer beauty. Don't we know that the Lord does not see as mortals see; they look on the outward appearance, but the Lord looks on the heart. 1 Samuel 16:7. In this book *Heal Your Life: Awakening to the Power of Faith, Hope, Love, Prayer*, Dr. Maalouf masterly invites us to reject the double lifestyle we are living and to genuinely consider living by the truth of the permeation and integration of theology and politics. Pope Paul VI declared that the highest form of charity is the highest form of political sanity, as well. Indeed, real politics takes action and contemplation. All our crises are rooted in our spiritual crisis. First, for our sanity and survival, God is needed. For our sanity and survival, the politics of the earth should match the politics of the kingdom of God, as this book explains. **Learning to Pray: A Guide for Everyone** James Martin, 2021-02-02. A prayer that will revolutionize your life and leave you amazed at the results? A prayer that God will answer with a definite yes? Eve East and West of Eden is the story of a woman who was born in Iran but grew to adulthood through the cultures of Europe and the United States while never fully surrendering her Persian heritage. She became successful in business and has returned with her daughter to the Middle East in search of a wholeness which can embrace the best of each culture she has adopted. In her search for authenticity as a woman, as a citizen of the world, as a daughter, as a mother, and as a soul mate to a spiritual partner, she generalizes her own experiences to lay it over the experience of the planet entering the Twenty-first century. In the Middle East, she finds the rich soil for discovering spiritual healing and loving perspective while never quite attaining the peace she and all humankind spends a lifetime pursuing. There is much in her story to instruct readers about the contrast between Christianity and Islam, between the West and the Middle East, and between a chaotic and tragic past and the promise of the future. Among the patterns she weaves are the threads of hope for her daughter and through her hope for the children of the world who will inherit the next opportunity for planetary healing. Vivian Emtiaz's book is a true inspiring story of a young woman's quest on behalf of herself, her daughter, and today's world. She was born into a world full of the challenges, conflicts, and hardships presented by the close proximity and competition of Mideastern and Western cultures and values. Throughout, she has been driven by a vision of a future in which her daughter and all those of her daughter's generation could have the opportunities and understandings of ways to integrate the West and Mideast cultures. Central to her story has been the guidance and teaching she has received from the
