Ought the Book of Common Prayer, ... of the Church of Ireland, be revised? etc** Andrew WILLIAMS (Author of "The State Secret."),1870 Finding God in a Broken World John R. Clarke,2015-10-13 There is no doubt that we are entering the final stages of the history of this world Lawlessness abounds terrorism is on the increase and wars and rumors of war abound Natural disasters such as tsunamis volcanic eruptions cyclones floods and tornados are also becoming more common as the earth struggles under the burden of humankind's rebellion So what does the future hold for the beloved of Christ Finding God in a Broken World provides insight into the steps to remaining free in Christ during the turbulent days ahead The book explores seven key areas from embracing the love of God finding God's purpose for our lives and overcoming the world to living the victorious Christian life and remaining free in Christ regardless of the circumstances we find ourselves facing in the coming days Author John R Clarke's scientific background gives him a distinctive insight into the Bible and the Word of God and it allows for a different perspective on the events of the end times and Christian living than those normally provided by theologians Although the times of the last days can be fraught with tension unease and even hostility it is important for Christians to know that by understanding the difficult aspects of God's teachings his positive purposes and his plans for eternity will come into better perspective By meditating on these teachings the hope and prayer is that believers can find inspiration comfort and blessings

The Warrior's Weapons Uwakwe Christian Chukwu,2019-06-20 Never in the history of mankind has there been an era of war like ours We could smell war in the air While the media reminds us of physical wars the struggles we go through every day remind us of spiritual wars We live in a spiritually hostile environment that desires to make the earth a planet of death In a sense it seems that there is an outbreak of demonic hostilities The enemy's weapons are spiritual These spiritual weapons are highly advanced weapons and their apocalyptic capabilities are beyond human imagination Now that we know that we are at war so what What are we going to do about it If we are to survive these trying times in which we live it is imperative that we learn how to effectively use the weapons of warfare against the devil and his companions The enemy's weapons are no match at all to the weapons of God's Warriors Our God given weapons of warfare are infinitely more powerful than the enemy's Unfortunately one of the tragedies of our time is that so many Christians either

don't know their weapons of spiritual warfare or have dropped those weapons of warfare In this book *The Warrior's Weapons* you have everything you need to become armed and dangerous against every adversary that threatens you your destiny and the destinies of your loved ones The book presents strategic weapons in our spiritual arsenal and how they are to be used against the kingdom of darkness The book is a pack of spiritual knowledge and warfare prayers needed to keep you from drowning in the sea of affliction Get this book for yourself your children and your friends Warfare Weapons K. Neill Foster,1995-02 Is it possible to fight spiritual battles and win Or must Christians watch from the sidelines not claiming the power of God that can make things happen in their lives their church their world This book identifies 14 weapons to help believers live on the offensive Bible studies: the Internat. Sunday sch. lessons for 1889 (-1894). George Frederick Pentecost,1891 *The Weapon of Prayer* Edward M. Bounds,2016-08-20 In this book Bounds explains the importance of prayer and that nothing else in the Christian life can replace the comfort and joy that comes from communion with God Bounds also explains that all major movements that God has willed into place were all started by believer prayers and that we as Christians need to pray to influence the world around us **Prayer Arsenal - Weapons to Defeat the Enemy** Shana-Kay Granville,Gary Granville,2017-04-21 Many Christians today are ignorant of the many weapons the Lord has made available to us Some suffer lost setbacks and even defeat because they are not equipped with the right knowledge and weapons to engage the enemy of our souls The bible says my people perish because they lack knowledge Prayer Arsenal Weapons to Defeat the enemy is a practical approach to help believers to combat the enemy and be victorious through the Word and targeted prayers It is our desire that readers of this book will be empowered to fight the good fight of faith and become a winner in every facet of their lives The time is now to engage in the war of the ages Jesus Christ our commander in Chief has gone on before let's follow and raise His royal banner Onward then as we fight in victory **Understanding Spiritual Warfare in the Eight Prayer Watches** New Levels in God Publications,2023-08-21 The art of spiritual warfare is vitally important to Christians It is an art because we are expected to develop the skills needed to claim victory through Jesus Christ against evil forces If we do not develop these skills we will consistently suffer defeat at the hands of Satan We can gain advantage in spiritual warfare when we are empowered by the Holy Spirit and use the divine armor God has given us In *Understanding Spiritual Warfare in the Eight Prayer Watches The Essential Weapons to Use in Battle* you will learn about the weapons in God's armor the particular weapons to use during different prayer watches and the importance of asking God for His strategies and tactics for your situation The book also has examples of prayers and scriptures to declare during warfare The purpose of *Understanding Spiritual Warfare in the Eight Prayer Watches The Essential Weapons to Use in Battle* is to arm you with knowledge on spiritual warfare and put your trust in God Who has already secured your victory God has never lost a battle and He has no plans for us to lose one either "What is Man?" John Anderson (M.R.C.S.),1888 **Effective Prayer Life** Chuck Smith,1980 101 Weapons of Spiritual Warfare Dr. D. K. Olukoya,2013-12-10 101 Weapons of Spiritual

Warfare Never in the history of the world has there been an era of war both physical and spiritual like this era This is a tougher era of warfare More people are under bondage now more than in any other period of human history There are cases of deep bondage uncommon attacks against the family and horrendous occurrences in the lives of individuals The devil has wreaked a lot of havoc upon humanity The bible has described in vivid terms that God is aware of the high spate of demonic hostilities Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times This manual is the first of its kind This is the apex of deliverance We are the threshold of a revival of spiritual warfare The sweeping and the far reaching effect shall be best described as awesome
