Prayer-based Growth Groups Charles F. Kemp, 1974 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1976 Tribal Church Steve Stroope, Kurt Bruner, 2012-01-15 God's biggest assignments have always been entrusted to those leading a small tribe From the twelve families of Israel to early Christians who met in one another's homes great leaders begin by serving a core group of people who ripple outward for ever extending social and spiritual impact They go big by leading small Today leaders don't fail because they lack vision They fail because they neglect their tribe It could be a father losing sight of his family a lead pastor failing to leverage the strengths of his staff or a small group coordinator ignoring a tiny but important process Tribal Church helps pastors recognize the potential and power of various tribes within their congregations one family a network of small groups maybe an entire age group and then recalibrate ministry efforts to maximize the impact of each Steve Stroope has spent three decades mastering the art of leading small in a church that has multiplied from dozens to over ten thousand He explains why big impact does not come from any sort of mega church ambition It rather comes by attending to the little details and the smallest tribes Endorsements Steve Stroope has done us a favor by collecting three decades of experience into one book One glance at the manuscript and I thought of a dozen uses for it First it will strengthen my leadership skills I can envision our leadership team reading it as a group Seminaries should tap into its wisdom Thank you Steve for living out an example of godly leadership Max Lucado pastor and best selling author Steve Stroope is one of the finest pastor leaders of our generation In his candid look at Lake Pointe Church's first 30 years Steve shares helpful insight wisdom and practical experience that can help churches become more fruitful in fulfilling Christ's Great Commission With a heart for local and global missions Steve has modeled leadership methods that have been tested in the modern church world and can be great tools for equipping leaders in the days ahead Bryant Wright senior pastor Johnson Ferry Baptist Church of Marietta GA and president of the Southern Baptist Convention Steve Stroope is one of the most quietly influential voices in the growth and robustness of American Christianity He is a collector of good ideas what he calls little things the small but essential acts that cumulatively demonstrate the character of Christ in American church leadership This book is by a leader I admire Bob Buford founder of Leadership Network and author of *Halftime* and *Finishing Well* I've known Steve for 15 years and he's the real deal His life and leadership inspires me and so does the tribe of Lake Pointe Church The straightforward practical wisdom in this book will recalibrate any leader and any church at any stage of the game Bill Hybels senior pastor Willow Creek Community Church Steve Stroope is more than knowledgeable about leadership and ministry He is wise He leads with strategic skill discernment and intuition Every conversation with Steve has marked me and impacted my ministry therefore I am eager to read anything he writes Eric Geiger acting vice president Church Resources Division Lifeway Christian Resources Steve Stroope is the wisest and most effective pastor I know This book is a treasure chest of godly wisdom for church leaders Steve gives us an inside look at the

is both a window into his life and times and an insightful view into the pastoral dimensions of Christian rituals and practices in the home and church Joo discerns how Henry understood and practised English Presbyterian worship as an example of Reformed worship in his context and suggests how contemporary churches can appropriately develop and articulate their own worship in their own contexts making the case for worship renewal
