A cluster of emotions—anger, anxiety, fear, hate, negative self-image, resentment, and self-pity—affect our health. Therefore, a healing ministry must be handled in such a way that emotions and psychological factors are addressed with care and sensitivity. This powerful book will help you pray for healing and stick with a daily meditations and declarations to manifest your healing. Based on my personal experience with divine healing and revelations from God in helping the sick, this book will transform your thoughts, words, and get you healed of whatever you are going through at the moment. You may also share these prayers and declarations for healing and strength with a friend, neighbor, or anyone who is experiencing weakness, pain, torment, and sickness at the moment and help them receive their healing from God and walk in total health.
