Prayers For Revival:

Revival Dr. D. K. Olukoya, 2018-05-31 There is urgent need for revival in the church as body and in the lives of individual Christians. A Christian must hunger and thirst for spiritual growth. Many Christians are in a state of spiritual slumber. We must wake up or end up in hell. When there is revival, people show concern for where they will spend eternity; they begin to hunger and thirst after God in earnest. To make heaven, Christians must make every necessary sacrifice to get revived. This book is a wake up call for those who are in spiritual slumber. It is a pointer to the part we must take and the pitfalls we must avoid if we must be revived. One thing is sure: if you digest the contents of this book and say the prayers with your whole heart, you will know, and neighbours will testify that something new has happened in your life. **Praying for Revival** Eric Hayden, 2001 How often have you heard prayers for Revival in public? How often have you prayed for Revival in private? As Christians, we all long for Revival. We read accounts of revivals in the past with a mildly repressed envy. We wish we would experience them in our local situation, but having seen new methods come and go too often, we resign ourselves to failure. In this devotional book, Eric Hayden reminds us of the necessity of prayer when we desire revival. Looking at the thirty-five prayers for revival found in the Bible, Hayden gives us a series of short studies on Revival and Prayer. Hayden divides these prayers into seven sections: Prayers revealing the Need for Revival, Prayer for a Vision of Revival, Prayer to the Sovereign God of Revival, Prayers for Personal Revival, Prayers for the Corporate Revival of God's People, Prayers for National Revival, and Prayers for the Revival of God's Word. With a chapter for each prayer, we are shown how Prayer and Revival are intricately linked in Scripture and consequently in our every day lives. This is a wonderful book that will help revive in us the Biblical attitude to revival and remind us that Revival comes from God himself. *Our Cry for Revival* Nick Harrison, 2024-11-05 What Christian isn't hungering for revival? Not just an emotional display of faith, but a revival that changes lives, renews churches, and can even change history. Such revivals as the Great Awakening, the Welsh Revival, and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active. Even smaller revivals, such as the recent revival at Asbury University in Wilmore, Kentucky, caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God. The recent movie *The Jesus Revolution* was a surprise success at the box office as once again Christians flocked to hear about revival. Make no mistake: there is a worldwide hunger for revival, and especially so among American Christians. The great news is that every Christian has a part to play in bringing about revival. That part is first, last, and always prayer. Revivals are born from prayer. But will Christians pray? Do they really want revival? If recent events are indications of that fresh hunger for God in our midst, then the answer is a resounding yes. With daily Scripture readings, reflections, prayer prompts, and quotes from classic Christian leaders, this 365-day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer. Yes, revival is on its way. Will you be one of the prayer warriors to usher in this next great move of God? **Longing for a Changed World: Meditations on Prayer for**

How to Promote & Conduct a Successful Revival Rueben A. Torrey,2020-06-01 Yet we do speak wisdom among those who are mature a wisdom however not of this age nor of the rulers of this age who are passing away 1 Corinthians 2 6 There are too many trying to promote revival by pushing doctrines that have never produced a revival in all of church history These doctrines are called new but they are in reality as old as the early heresies that crept into the church They have never had power to produce conviction of sin conversion or regeneration so presumably they will not have that power today Some of the methods described in this book will appear novel to many but they are methods that have been tried before and proven effective There is no mere theorizing in the book Men whom God has used in winning souls to Christ and building up believers have been asked to write out of their own experience No one who has been asked to write has declined Such a book as this seems to be an absolute necessity of the hour There are thousands of ministers and other Christian workers in the land longing for a true revival of God s work but with no experimental or even theoretical knowledge of how to go to work to promote such a revival It is our earnest prayer and confident expectation that this book will prove helpful to all such men
