Prayers In Stone:

Prayers in Stone Brunilde S. Ridgway, 1999-08-31 The meaning of architectural sculpture is essential to our understanding of ancient Greek culture The embellishment of buildings was common for the ancient Greeks and often provocative Some ornamental sculpture was placed where when the building was finished no mortal eye could view it And unlike much architectural ornamentation of other cultures Greek sculpture was often integral to the building not just as decoration and could not be removed without affecting the integrity of the building structure This book is the first comprehensive treatment of the significance of Greek architectural sculpture Brunilde Sismondo Ridgway a world class authority on ancient Greek sculpture provides a highly informative tour of many dimensions of Greek public buildings especially temples tombs and treasuries in a text that is at once lucid accessible and authoritative Ridgway's pragmatism and common sense steer us tactfully and clearly through thickets of uncertainty and scholarly disagreement She refers to a huge number of monuments and documents her discussions with copious and up to date bibliographies This book is sure to be acknowledged at once as the standard treatment of its important topic Prayers in Stone ,1997 Prayers in Stone is a collection of evocative and beautiful photographs of subjects ranging from the prehistoric stone monuments of Carnac in Brittany to the Matisse Chapel in Venice which was constructed in the early 1950s These are monuments architectural sites and works of art selected by the author for their spiritual significance Prayers Public and Private Edward White God and Me! 2 Diane Cory, 2004 You loved the best selling God Me devotional series just for girls Now it s Benson, 1899 back with even more stories and activities to help girls grow closer to God and learn about His specialplan for their lives In God and Me 2 girls will read pray write and create And they will make God their best Friend forever Children of Persia Napier Mrs. Malcolm, 2022-07-21 Children of Persia is a book intended to teach its primary audience Christian and American children about their counterparts who lived in Persia modern day Iran Some of the languages and perspectives about the Persian people and their culture displayed in this book can be quite offensive for today s sensibilities but it nevertheless provides an honest insight into the American perspective of Persians including their children The priest's prayer book, ed. by two clergymen [R.F.
