*A New Old Spirituality?* Tone Stangeland Kaufman, 2017-07-11 How do pastors live their spiritual lives both as private persons and as professionals How can their spirituality be characterized and understood Drawing on in depth interviews with Norwegian clergy as well as literature from the fields of Christian spirituality practical theology congregational studies and the sociology of religion this book offers a nuanced understanding of clergy spirituality Tone Stangeland Kaufman identifies three locations and sources of spiritual nurture for pastors the ministry itself vocational spirituality daily life everyday spirituality and spiritual practices located at the margins of daily life intentional spirituality The participants in this study engage in classic Christian practices yet approach them in a subjective and new way that also potentially revitalizes their spiritual lives Hence the author makes the case that their spirituality can aptly be described as a new old spirituality The book also seeks to nuance Paul Heelas's and Linda Woodhead's Spiritual Revolution claim and thus engages in the broader spirituality vs religion discourse *A New Old Spirituality* is an exciting example of how qualitative empirical research can be used in creative ways to make a practical theological argument It is a book for scholars students and practitioners

**Prayers for All Occasions** Forward Movement Publications, 2016-10-08 Excerpt from Prayers for All Occasions Companion to Prayers New and Old The reasons for this are various but there is one in particular which is undoubtedly common Here is a personal note from one who had found out where his own trouble lay I knew that my prayer life was not what it should be My prayers were loose haphazard unarranged More often than not I felt the need of forgiveness for the casualness and insincerity of my praying And then one day I found where the trouble lay It was just that I was not going the right way about it My prayers were not properly ordered I had not given any thought to them before I got on my knees I was not making of my prayers a solemn and deliberate act of worship There are of course times in everyone's life when prayer cannot wait to be organized moments when prayer is the anguished utterance of a breaking heart or the formless cry of the soul for grace and courage to live through the next twenty four hours No plan of prayer will serve then But normally people do need a plan a method of devotion they need to have a clear idea both of what they are going to pray for and of what order their prayers will follow what shall come first and so forth They also need prayers ready to hand from which they can make a sort of cycle of prayer for a week or a month so they will not be repeating the same prayers day after day until they have become monotonous and perhaps unreal It is hoped that this book of Prayer For All Occasions will help to meet this personal need and also provide material for use in prayer groups and occasional evening services in Church About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www](http://www.forgottenbooks.com)

**Minister's Prayer Book** Mary Jane Haemig, Chris Halverson, Robb Harrell, 2020-02-04 Since it first appeared in print in 1959, John Doberstein's Minister's Prayer Book has been a devotional classic among Lutheran pastors. Written by a pastor for other pastors, Doberstein's work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry. The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection. Doberstein gathered as well as to his own pastoral acumen. Other than a minor revision made in 1986 by Philip Pfatteicher to update the prayers, there has been no attempt to bring fresh material to Doberstein's work, no attempt to update it for a new generation. Until now. This revised edition recognizes the increasingly diverse face of clergy. New resources, prayers, and readings written by women, people of color, and Christians from around the world give the collection a broader appeal. The beauty of the Minister's Prayer Book is its intentional re-centering of the pastor's calling on word and sacrament on pastoral care and on being fully present and engaged in the lives of God's people. *The Manchester Diocesan Directory, and Churchman's Almanack, for the Year of Our Lord ...* Church of England.
