**Prayers for the Dead Ventriloquist** D. J. Smith, 1995      *The Complete Idiot's Guide to Ventriloquism* Taylor Mason, 2010-05-04 The art of bellyspeeking isn't for dummies The Complete Idiot's Guide to Ventriloquism teaches everyone to speak from their bellies create and substitute sounds use all the registers of their voice and create diversions to attract the listener's ear whether they invest in a fancy puppet or create their own figure out of a sweat sock Includes tips for making manipulating and talking with their dummy and for it both at the same time Advice for getting an act together and taking it on the road getting gigs getting paid and how to improve performances How to write dialogue and jokes and rehearsal techniques      [Picturing Death 1200-1600](#) Stephen Perkinson, Noa Turel, 2020-11-16 Picturing Death 1200 1600 explores the visual culture of mortality over the course of four centuries that witnessed a remarkable flourishing of imagery focused on the themes of death dying and the afterlife In doing so this volume sheds light on issues that unite two periods the Middle Ages and the Renaissance that are often understood as diametrically opposed The studies collected here cover a broad visual terrain from tomb sculpture to painted altarpieces from manuscripts to printed books and from minute carved objects to large scale architecture Taken together they present a picture of the ways that images have helped humans understand their own mortality and have incorporated the deceased into the communities of the living Contributors Jessica Barker Katherine Boivin Peter Bovenmyer Xavier Dectot Maja Dujakovic Brigit Ferguson Alison C Fleming Fredrika Jacobs Henrike C Lange Robert Marcoux Walter S Melion Stephen Perkinson Johanna Scheel Mary Silcox Judith Steinhoff and Noa Turel      **Stand Magazine** , 1995      **100 Notes on Violence** Julie Carr, 2010 Product Description Carr winner of the 2009 Sawtooth Poetry Prize obsessively researches intimate terrorism looking everywhere from Whitman and Dickinson to lists of phobias and weapon store catalogs for answers Do they lie in statistics in statements by and about rapists and killers in the capacity for cruelty that the poet herself admits to This book is a dream document both of light and innocence babies and the urge to protect them and of giving in to a wrenching darkness where despair lies in the very fact that no single factor is to blame      **Prayers for the Dead Ventriloquist** David James Smith, 1993      **Chopstix Numbers** Craig Cotter, 2000 Poetry CHOPSTICK NUMBERS is a Dionysian vision of a young gay man's coming out process The descent into hell and often into humiliation is there as he a nice white Catholic fat man falls in love and develops a fascination for slim beautiful Asian men and hangs out at an Asian gay disco club Like Orpheus he must make the journey to hell to try to bring back what he loves Diane Wakoski A daily world and its amiably accompanying person make it all for real here with deft and accurate surmise Just think about how many times you've thought of something and never said a word Not so this impressive poet who keeps it all moving period Robert Creeley      **Saving the Appearances** Liz Waldner, 2004 Poetry SAVING THE APPEARANCES recounts a quest for wholeness the Truth that abides in and reveals the heart Seeking to discover the true form of the edifice of the world a building both containing and accounting for saving the appearances encountered on the way these poems

evince the mystery of the act of seeing beauty of the natural world and power of the longing that engenders its contemplation. Rarely does one find such vulnerability and sadness so luxuriantly inventively dressed out so playful so cured. John Reider  
**TINFISH**     Oriflamme Sandra Doller, 2005 Poetry The expansiveness of the poems in Sandra Miller's extraordinary first book requires a different page one in which white space frames and shapes the physicality of each poem title and word. Among Miller's influences are the Russian avant garde artists of the turn of the twentieth century her poems are as sculptural as the page permits in packets rather than stanzas that move visually as well as narratively through the work. Passionate these are poems that are battle standards in the defense of art poetry and the intelligence of the ear. Delicate and sure spare and very very precise is how Cole Swensen describes them. They haunt. They break your heart. They make you want to live. **ORIFLAMME** marks a new direction in American poetry. No one else is doing anything like it yet     **Zone** Stephanie Strickland, 2008 Accompanying CD ROM has same title as book     Westering Thomas Hornsby Ferril, 1986     Dear, Read Lisa Fishman, 2002 Poetry Lisa Fishman writes with an impeccable sense of cadence of words as sounds too of physical fact becoming thought and then recurring as poetry. Robert Creeley These spare delicately packed lyrics call up the traditions of Dickinson, Niedecker and Riding and join the varieties of women's experimental writing of the last two decades. Brenda Hillman Fishman's poems elliptical spiraling sound the mystery of ordinary things a torn screen door to test the undisclosed meanings of both language and landscape. Michael Palmer     **New & Selected Poems** Charles O. Hartman, 2008 Poetry New poems join a selection from nearly 40 years of Hartman's groundbreaking computer and jazz influenced work. Selections from five previous collections join thirty new poems giving ample evidence of Hartman's broad range and mastery. Charles Hartman's **NEW SELECTED POEMS** will finally establish his rightful place as at least one of the best poets of his generation. It takes a large collection to reveal the range depth intricacy and inventive playfulness of his very very fine sensibility. Most of all I love his intelligence his refusal of sentimentality that finds an angle for the release of unexpected yet rich and complex feelings and his range of attitudes and situations matched by astonishing metrical inventiveness and resonance. Songlines tune the travels. This intelligence makes for a range that beggars most poets from elegant short dimeter poems to several sustained and complex long poems on topics ranging from becoming familiar with exotic places to establishing attitudes toward the ways new technologies affect possibilities for feeling and for thinking or for continuing to think that feeling matters. Charles Altieri     **Sign** David Mutschlecner, 2007 Poetry David Mutschlecner's second book from Ashahta Press **SIGN** both evokes the prophecy of an endgame and posits the possibility of enduring aspiration. Contextualized within the sacred the sparse verse of **SIGN** illuminates the fall of man and the repercussive realities that cloak the contemporary apocalyptic psyche both public and personal. Steeped not so much in religion as it is in reckoning Mutschlecner assigns gravity and a well tempered philosophy to every word with a language that constantly contends with truth. The good and gladsome news in Mutschlecner's **SIGN** is that the ceremonies of innocence are not drowned. Rather they enjoy a continuous

lucent transformation in poems such as these SIGN is a kinetic missal of new faith and new perfections Donald Revell Mutschlecner's ESSE is also available at SPD      *Irresponsibility* Chris Vitiello, 2008 Poetry Put this book down and go be with other people urges Chris Vitiello in his playful and grave second book Where music science and poetry discover the grounding necessity of measurement in this work Vitiello is just as likely to destabilize boldly all manner of life repeatedly undercutting urgent concrete statements and smashing them into granular moments The great pleasure of Chris Vitiello's IRRESPONSIBILITY comes from its outrageous conceit to write ambitiously while refusing to render the act of writing in any of its normative or nostalgic guises All you have to do is pay attention Vitiello writes and it's not that simple Each page of this absolutely essential book is a testimony to the thrills and difficulties of such unceasing attention Tony Tost      **Southern Poetry Review**, 1998      *Arts & Humanities Citation Index*, 1997      **The Widow's Coat** Miriam Sagan, 2002 Poetry Written during the two years following the death of her husband Miriam Sagan's THE WIDOW'S COAT paints landscapes of bleak astonishment that he is no longer alive vivid images of his continued presence in the everyday experience of memory and jumbled ranges of confusion and surprise as she finds herself once again in love with a childhood sweetheart When the worst befalls the best sometimes amazed music occurs Miriam Sagan eulogizes and exalts so that we're able to feel our own griefs while rejoicing that she has articulated loss so bravely and well Joan Logghe      American Book Publishing Record, 1995
