## **Prayers In The Precincts The Christian Right In The 1998 Elections:**

**The Christian Right in American Politics** John C. Green, Mark J. Rozell, Clyde Wilcox, 2003-05-06 From the first rumblings of the Moral Majority over twenty years ago the Christian Right has been marshalling its forces and maneuvering its troops in an effort to re shape the landscape of American politics It has fascinated social scientists and journalists as the first right wing social movement in postwar America to achieve significant political and popular support and it has repeatedly defied those who would step up to write its obituary In 2000 while many touted the demise of the Christian Coalition the broader undercurrents of the movement were instrumental in helping George W Bush win the GOP nomination and the White House Bush repaid that swell of support by choosing Senator John Ashcroft once the movement s favored presidential candidate as attorney general The Christian Right in American Politics under the direction of three of the nation s leading scholars in the field of religion and politics recognizing the movement as a force still to be reckoned with undertakes the important task of making an historical analysis of the Christian Right in state politics during its heyday 1980 to the millennium Its twelve chapters written by outstanding scholars review the impact and influence of the Christian Right in those states where it has had its most significant presence South Carolina Virginia Texas Florida Michigan Iowa Kansas Minnesota Colorado California Maine and Oregon and Washington Since 1980 scholars have learned a good deal about the social characteristics religious doctrine and political beliefs of activists in and supporters of the Christian Right in these states and each contribution is based on rigorous dispassionate scholarship The writers explore the gains and losses of the movement as it attempts to re shape political landscapes More precisely they provide in depth descriptions of the resources organizations and the group ecologies in which the Christian Right operates the distinct elements that drove the movement forward As the editors state the Christian Right has been engaged in a long and torturous march toward the millennium from outsider status into the thick of American politics Those formative years 1980 2000 are essential for any understanding of this uniquely American social movement This rigorous analysis over many states and many elections provides the clearest picture yet of the goals tactics and hopes of the Christian Right in America Protest, Anpassung, Etablierung Manfred Brocker, 2004 Politik und Religion Michael Minkenberg, Ulrich Willems, 2013-07-02 Ohne Zweifel ist die Religion auf die politische Agenda zur ckgekehrt Eine Vielzahl von Entwicklungen innerhalb und au erhalb Europas belegt die Beharrlichkeit der Religion auch in der Politik und eine ver nderte Rolle ihr gegen ber Religion und darauf gegr ndete kulturelle Unterschiede scheinen eine neue Bedeutung f r die Politik und das Funktionieren der jeweiligen Herrschaftsordnungen zu gewinnen Dies stellt die immer noch weit verbreitete s kularisierungstheoretische Annahme vom Niedergang der Religion in Frage Ebenso problematisch ist jedoch eine Verengung des Blickwinkels auf den religi sen Fundamentalismus Die Beitr ge dieses Sonderheftes greifen diese sowie weitere Fragen vornehmlich in vergleichender Perspektive auf und diskutieren Perspektiven f r die Ausgestaltung des Verh ltnisses von Politik und Religion in unterschiedlichen gesellschaftlichen und

politischen Kontexten      **Zeitschrift für Politikwissenschaft** ,2009      **Prayers in the Precincts** John Clifford Green, Mark J. Rozell, Clyde Wilcox, 2000 In the wake of the Clinton Lewinsky scandal the Christian Right expected major victories in the 1998 elections Instead many of its allies lost close contests and the movement was seen as a liability in some high profile campaigns In an in depth study of the Christian Right s role in these races leading scholars analyze the role of the movement in 14 key states from Maine to California and address speculations that the movement is fading from the American political scene Christian Right is most influential and it describes the movement s niche in some detail Although each campaign described had its unique characteristics the editors have drawn some broad conclusions about the 1998 elections While the movement was weak in the areas of candidate recruitment and fundraising the outcome may have also been related to external factors including a broader turnout of typically Democratic constituencies and the country s boredom with the scandal that conservatives had made the centrepiece of their campaign Despite the setbacks of 1998 the contributors argue the Christian Right continues to have an enormous influence on the political dialogue of the country

**Doctors and Demonstrators** Drew Halfmann, 2011-07-15 Since Roe v Wade abortion has continued to be a divisive political issue in the United States In contrast it has remained primarily a medical issue in Britain and Canada despite the countries shared heritage *Doctors and Demonstrators* looks beyond simplistic cultural or religious explanations to find out why abortion politics and policies differ so dramatically in these otherwise similar countries Drew Halfmann argues that political institutions are the key In the United States federalism judicial review and a private health care system contributed to the public definition of abortion as an individual right rather than a medical necessity Meanwhile Halfmann explains the porous structure of American political parties gave pro choice and pro life groups the opportunity to move the issue onto the political agenda A groundbreaking study of the complex legal and political factors behind the evolution of abortion policy *Doctors and Demonstrators* will be vital for anyone trying to understand this contentious issue      *Macht, Moral und Mehrheiten* Antonius Liedhegener, 2006      *Religious Liberty in America* Louis Fisher, 2002 It is often assumed that the judiciary especially the Supreme Court provides the best protection of our religious freedom Louis Fisher however argues that only on occasion does the Court lead the charge for minority rights More likely it is seen pulling up the rear By contrast Congress frequently acts to protect religious groups by exempting them from general laws on taxation social security military service labor and countless other statutes Indeed legislative action on behalf of religious freedom is an American success story but one that renowned constitutional authority Fisher argues has been poorly understood by most of us Taking in the full span of American history Fisher demonstrates that over the course of two centuries of American government Congress has often been in the forefront of establishing and protecting rights that have been neglected denied or unrecognized by the Court and that statutory provisions far outstrip in both number and importance the court cases that have expanded religious rights In this concise and insightful book Fisher presents a series of important case studies that explain how Supreme Court

rulings on religious liberty have been challenged and countermanded by public pressures legislation and independent state action He tells how religious groups interested in securing the rights of conscientious objectors received satisfaction by taking their cases to Congress not the courts how public uproar over a 1940 Supreme Court ruling sustaining compulsory flag salutes resulted in a court reversal and how Congress intervened in a 1986 ruling upholding a military prohibition of skullcaps for Jews By describing other controversies such as school prayer Indian religious freedom the religious use of peyote and statutory exemptions for religious organizations Fisher convincingly demonstrates that we must understand the political and not just the judicial context for the safeguards that protect religious minorities As this book shows the origin and growth of an individual's right to believe or not believe and the securing of that right has occurred almost entirely outside the courtroom Religious Liberty in America persuasively challenges judicial supremacists on church state issues and provides a highly readable introduction for all students and citizens concerned with their right to believe as they wish **Politik,**

**Moral und Religion, Gegensätze und Ergänzungen** Lothar Waas, 2004 Was haben Politik Moral und Religion miteinander zu tun Da sie füreinander sowohl Gegensätze wie Ergänzungen sein können ist eine Erfahrung die man nicht erst heute und nicht nur unter den Bedingungen des modernen freiheitlich demokratischen Verfassungsstaates machen kann auch wenn beides gerade hier auf eine besonders komplexe und verschlungene Weise nahe beieinander liegt Sich im Namen der Aufklärung zum Prinzip religiös weltanschaulicher Neutralität zu bekennen und deshalb auch ganz besonders auf die Trennung von Kirche und Staat zu achten und gleichwohl nicht verleugnen können da die eigenen Vorstellungen von Recht und Gerechtigkeit auf Wertbezeugungen und moralischen Maßstäben beruhen die ihre Wurzeln im Christentum haben ist eben Ausdruck einer Verschiedenheit die in diesem Fall zu einem verschiedenen schiedlich friedlichen Ausgleich fand wie er nicht selbstverständlich ist Die hier anzugebende Publikation die zu Ehren von Karl Graf Ballestrem Professor für Politikwissenschaft an der Katholischen Universität Eichstätt entstand erhebt nicht den Anspruch der Frage des Zusammenhangs von Politik Moral und Religion in dieser zugespitzten Weise systematisch nachzugehen Ihrem Festschrift Charakter gem versammelt sie vielmehr eine Vielzahl von Beiträgen die diese Thematik aus ganz unterschiedlicher real wie ideengeschichtlicher philosophisch genereller wie historisch spezieller Perspektive umkreisen und die trotzdem nicht rein zufällig ihren gemeinsamen Nenner in dem haben dürften was im Sinne des besagten schiedlich friedlichen Ausgleichs zwischen Aufklärung und Christentum nicht nur den modernen Verfassungsstaat auszeichnet sondern auch die Liberalität dessen dem sie als Zeichen der Wertschätzung zugeeignet sind *Prayers in the Precincts* John C. Green, Mark J. Rozell, Clyde Wilcox, 2000-04-04 In the wake of the Clinton Lewinsky scandal the Christian Right expected major victories in the 1998 elections Instead many of its allies lost close contests and the movement was seen as a liability in some high profile campaigns In the only in depth study of the Christian Right's role in these races leading scholars analyze the role of the movement in fourteen key states from Maine to California and address speculations that the movement is fading from the

American political scene The book focuses on elections on the state and local levels where the Christian Right is most influential and it describes the movement's niche in some detail Although each campaign described in the book had its unique characteristics the editors have drawn some broad conclusions about the 1998 elections While the movement was weak in the areas of candidate recruitment and fundraising they say the outcome may have also been related to external factors including a broader turnout of typically Democratic constituencies and the country's boredom with the scandal that conservatives had made the centerpiece of their campaign Despite the setbacks of 1998 the contributors argue the Christian Right continues to have an enormous influence on the political dialogue of the country Written from an unbiased nonpartisan perspective this volume sheds light on a topic that is too frequently mired in controversy

*Unternehmensverbände in den USA* Matthias S. Fifka, 2005 Bereits in der ersten Hälfte des 20. Jahrhunderts attestierten Politikwissenschaftler amerikanischen Unternehmen und ihren Verbänden einen übergrossen Einfluss im politischen Prozess und stellten die Existenz eines pluralistischen Systems der Interessenvermittlung in Frage Trotzdem sind umfassende Studien zu Unternehmensverbänden in den USA bis heute eher eine Ausnahme geblieben Dieses Buch hat das Ziel zu untersuchen inwieweit business associations tatsächlich eine herausragende Stellung in der amerikanischen Verbandelandschaft einnehmen und es vermögen ihre Interessen im Wettstreit mit konkurrierenden Gruppen in höherem Masse als diese durchzusetzen Hierfür wird zunächst das amerikanische System der Interessenvermittlung in seinen Grundzügen beleuchtet ehe die Entstehung und Struktur der Unternehmensverbände näher analysiert und ihre politische Arbeit den Aktivitäten anderer Verbände gegenübergestellt wird Die Untersuchung schliesst mit zwei Fallstudien die Art und Weise verbandlicher Einflussnahme in der Innen- und Aussenpolitik aufzeigen sollen

**Congressional Primaries and the Politics of Representation** Peter F. Galderisi, Marni Ezra, Michael Lyons, 2001-05-25 Congressional Primaries and the Politics of Representation explores the ways in which congressional primary elections appear to be changing in the face of electoral and congressional politics The prominent contributors examine how primary elections influence the types of candidates who run the support they receive the positions they take the resources they spend the media coverage they receive and the type of party nominees that prevail All of these factors have significant implications for congressional general elections the political parties interest groups and the day to day representation of constituents by congressional incumbents

The Interest Group Connection Paul S. Herrnson, Ronald G. Shaiko, Clyde Wilcox, 2005 With Congress more partisan than ever the White House eager to mobilize group support the appropriations process in flux and important interest group litigation in the courts this volume confirms that navigating the complex world of inside the beltway politics is especially tricky For interest groups the name of the game is access The Interest Group Connection's twenty chapters show how organized interests gain that access in Washington Brief and accessible readings explore the connections between lobbyists in power and American policymaking institutions and processes as well as the crucial role interest groups play in organizing constituencies protecting their rights

and giving them entrance into the political process Given the current environment new campaign finance laws the prevalence of 527 committees and a near even electoral environment the second edition provides an inside look at a changed political world Political Science Quarterly, 2000 Offers timely analysis of both domestic and foreign policy issues as well as of political institutions and processes

**The New Politics of the Old South** Mark J. Rozell, 2003 One of the most important developments in American politics has been the growing prominence of the Southern states in the national political landscape The first edition of *The New Politics of the Old South* broke new ground by examining Southern political trends at the end of the twentieth century Now extensively revised and updated the second edition looks toward the future of politics in the South and continues the unique state by state analysis of political behavior written by the country's leading scholars of Southern politics Designed to be adopted for courses on Southern political culture but accessible to any interested reader this book traces the shifting trends of the Southern electorate and explains its growing influence on the course of national politics

*Evangelicalism and Conflict in Northern Ireland* Gladys Ganiel, 2008-04-15 This book explores the role of evangelicalism in the conflict in Northern Ireland and discusses how it may contribute to a peaceful political transition Ganiel analyzes the traditional evangelicals who are associated with the Reverend Ian Paisley as well as a new breed of mediating evangelicals who have broken with the traditions of the past Comparing evangelical politics in Northern Ireland to the U S and Canada this book sheds light on future directions for Northern Irish evangelicalism The conclusion has global reverberations as it reflects on the place of strong religions such as evangelicalism and other forms of fundamentalism in contemporary world politics

**The Religious Right** Glenn H. Utter, John Woodrow Storey, 2007 Timely and unbiased this edition updates and expands its examination of the religious right and its influence on our government citizens society and politics From the fight to outlaw the teaching of Darwin's theory of evolution to the struggle to outlaw abortion the religious right is continually exerting an influence on public policy

**Journal for the Scientific Study of Religion**, 2003 Official journal of the Society for the Scientific Study of Religion JSSR was founded in 1949 by students of religion and of social science in order to stimulate and communicate significant scientific research on religious institutions and experience

*Religion, Politics, and the American Experience* Edith Waldvogel Blumhofer, 2002 This challenging collection of essays offers a refreshing approach to the troubling and timely subject of religion and public policy in America and the ways in which issues of church and state affect our national identity The result of a series of conferences on religion and politics conducted by the Public Religion project at the University of Chicago funded by a grant from the Pew Charitable Trust this collection brings together an extraordinarily diverse set of contributors Represented within its pages are the ideas and opinions of scholars politicians and religious leaders with backgrounds in law politics history and divinity among them Senator Paul Simon of Illinois With its wide range of critical approaches and varied perspectives this volume makes a vibrant contribution to the national dialogue on politics and religion Chief among the essay topics are the evangelical roots of

American political life early conflicts between Enlightenment thinking and spiritual impulses in developing a national identity the practical problems that today s politicians face in campaigning the impact of constitutional and legal language regarding our definitions of religion and the way in which the media s treatment of our spiriutal life frames our perceptions of it These thought provoking essays will inspire readers to rethink argue perhaps act but most importantly to converse about this timely and important issue This volume will have wide cross disciplinary appeal Students and scholars of history religious studies and political science will find great value within its pages as will scholars of divinity and law and members of this general public concerned with the intersection of faith and politics in American life

## **Prayers In The Precincts The Christian Right In The 1998 Elections Introduction**

In today's digital age, the availability of Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prayers In The Precincts The Christian Right In The 1998 Elections versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals is Open Library. Open Library is an

initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Prayers In The Precincts The Christian Right In The 1998 Elections books and manuals for download and embark on your journey of knowledge?

### **FAQs About Prayers In The Precincts The Christian Right In The 1998 Elections Books**

1. Where can I buy Prayers In The Precincts The Christian Right In The 1998 Elections books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
