Power Through Prayer E. M. Bounds, 2015-08-27 WE are constantly on a stretch if not on a strain to devise new methods new plans new organizations to advance the Church and secure enlargement and efficiency for the gospel This trend of the day has a tendency to lose sight of the man or sink the man in the plan or organization God s plan is to make much of the man far more of him than of anything else Men are God s method The Church is looking for better methods God is looking for better men There was a man sent from God whose name was John The dispensation that heralded and prepared the way for Christ was bound up in that man John Unto us a child is born unto us a son is given The world s salvation comes out of that cradled Son When Paul appeals to the personal character of the men who rooted the gospel in the world he solves the mystery of their success The glory and efficiency of the gospel is staked on the men who proclaim it When God declares that the eyes of the Lord run to and fro throughout the whole earth to show himself strong in the behalf of them whose heart is perfect toward him he declares the necessity of men and his dependence on them as a channel through which to exert his power upon the world This vital urgent truth is one that this age of machinery is apt to forget The forgetting of it is as baneful on the work of God as would be the striking of the sun from his sphere Darkness confusion and death would ensue
