Praying with Celtic Holy Women Mary Meehan, Madonna Oliver, 2003-02 Praying with Celtic Holy Women Bridget Mary Meehan, Regina Madonna Oliver, 2003 **Praying with Celtic Holy Women** SOFIA, 2007 **Holy Companions** Sylvia Maddox, Mary C. Earle, 2004-08 Let the lives and the wisdom of the Celtic saints teach you to pray An excellent resource for individuals or groups who want to learn from the masters **Women in a Celtic Church** Christina Harrington, 2002-04-11 A history of women in the early Irish church has never before been written despite perennial interest in the early Christianity of Celtic areas and indeed the increasing interest in gender and spirituality generally This book covers the development of women's religious professions in the primitive church in St Patrick's era and the development of large women's monasteries such as Kildare Clonbroney Cloonburren and Killeedy It traces its subject through the heyday of the seventh century through the Viking era and the Culdee reforms to the era of the Europeanization of the twelfth century The place of women and their establishments is considered against the wider Irish background and compared with female religiosity elsewhere in early medieval Europe The author demonstrates that while Ireland was distinct it was still very much part of the wider world of Western Christendom and it must be appreciated as such Grounded in the primary material of the period the book places in the foreground many largely unknown Irish texts in order to bring them to the attention of scholars in related fields Throughout the study the author notes widespread ideas about Celtic women pagan priestesses and Saint Brigit considering how these perceptions came about in light of the texts and historiographical traditions of the previous centuries The Path of Celtic Prayer Calvin Miller, 2007-05-11 Covers six unique types of Celtic prayer helping seekers and believers connect to God on a deeper level by teaching them how to pray out of the circumstances and uncertainties of their lives Embracing Solitude Bernadette Flanagan, Beverly Lanzetta, 2013-11-12 Embracing Solitude focuses on the interior turn of monasticism and scans the Christian tradition for women who have made this turn in various epochs and circumstances New Monasticism is a movement assuming diverse forms in response to the turn to classical spiritual sources for guidance about living spiritual commitment with integrity and authenticity today Genuine spiritual seeking requires the cultivation of an inner disposition to return to the room of the heart The lessons explored in this book from women spiritual entrepreneurs across the centuries will benefit contemporary New Monastics both women and men The accounts will inspire challenge and guide those who follow in the footsteps of the renowned spiritual innovators profiled here **The Lindisfarne Gospels** , **Women's Spirituality** Mary Faulkner, 2025-09-12 From the inside scoop on goddesses Amazons and ancient matriarchal societies to feminist theology and pagan rituals Women's Spirituality offers a comprehensive survey of what is happening in women's spirituality today Mary Faulkner also provides a sweeping historical and social overview of women's spiritual experience from the dawn of civilization to present day Goddesses amazons priestesses and Magic the history of early matriarchal societies ecofeminism Pagan and New Age rituals Wiccan Celtic Jewish Christian native peoples

and other spiritual traditions Faulkner also highlights the work of well known writers theologians and academics who have contributed to the field including Barbara Walker Marija Gimbutas Luisah Teish Starhawk Alice Walker Rosemary Ruether Elizabeth Cady Stanton Sallie McFague Mary Daly Judith Plaskow Carol Christ Sue Monk Kidd and many more For the novice adept or the simply curious this book offers both a sweeping history and an inside view of one of the most profound movements and moving religious impulses of today Conscience ,2003 The Celtic Monk Uinseann Ó Maidín,1996 In the Early Middle Ages the Irish temperament individualistic poetic and deeply loyal to family produced great and learned saints and a unique monastic literature Before the Norman Invasion the isolation of the island allowed the development of traditions quite different from those of the continent or Britain The rules maxims litanies and poems of early Irish monks convey the spirituality of the Isle of Saints in the sixth to eighth centuries **American Book Publishing Record** ,2005

Forthcoming Books Rose Arny,2002 **Live of the Irish Saints, with Special Festivals, and the Commemorations of Holy Persons** O'Hanlon John Canon (Irish Catholic priest),1873 **The Sutton Hoo Sceptre and the Roots of Celtic Kingship Theory** Michael J. Enright,2006 The Sutton Hoo whetstone sceptre is the most enigmatic and mysterious emblem of kingship of the Early Middle Ages Produced c 600 AD and long held to be Anglo Saxon the author of the present work argued in 1983 that it was actually made by Celtic craftsmen who deployed Celtic iconographic themes in its carving That thesis is now accepted by many scholars but continues to be a matter of debate Here the thesis is re examined with a wealth of evidence never before discussed Enright establishes that the sceptre is undoubtedly a British artefact one that reflects a long history of Celtic king ship theory It is the end of a tradition that begins with the Iron Age Pfalzfeld pillar Because the sceptre s design reflects that of the pillar a comparison of their creator s ideas is possible The results are important and surprising It is safe to say that this book casts a wholly new light on a number of significant topics in the field and that its findings will be of considerable interest to scholars in a variety of areas Land of Women Lisa M. Bitel,1996 In the process she explains the often conflicting ideas about women expressed by the writers of medieval Irish texts a small group of literate men vowed to a religion that has always been ambivalent toward the female sex which derived from both Christian and secular Celtic heritages She concludes by examining the violent and powerful images of women common in the medieval literature of Ireland asking why men s texts consistently depicted women negatively when men and women interacted in a wide variety of ways The Catholic Periodical and Literature Index ,2003 WomanPrayers Mary Ford-Grabowsky,2009-10-13 This rich blend of prayers poems and sayings by women writers and sages from around the world and throughout history offers daily inspiration and delight Included in this collection are diverse voices ranging from the early Sufi mystic Rabia and the trailblazing Mechtilde of Magdeburg to contemporary poets Denise Levertov Kathleen Norris Maya Angelou Jane Hirshfield and Mary Oliver These and many other treasures of women s wisdom are gathered here from such wide ranging sources as Celtic blessings Native American petitions and Catholic Protestant Jewish Hindu and

Chinese prayers An expert on spirituality with a remarkable eye for the best inspirational literature Ford Grabowsky includes in this collection prayers of praise thanks petition mystical ecstasy and insight Her book explores self discovery mothering inner strength needs work gratefulness spiritual darkness mystical experience and love Lives of the Irish saints John O'Hanlon, 1873 **Home & Heart** Beverly Pagram, 1998 With ideas that apply to grand houses and small apartments alike a guide to interior decorating emphasizes comfortable living in rooms with rich textures sounds warm lighting and personal effects that result in peace inside the home
