## **Praying With The New Testament:**

*Biblical Theology of prayer in the Old Testament* Albert J. Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology. The biblical text has various references to various recorded and reported prayers. In fact, references to prayer are found within the rich diversity of the various books, corpora, and genres of Scripture. As can be expected, much has been written about prayer in the biblical text. However, a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before, and this book intends to fill this gap, assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts. This book aims to investigate prayer and its related elements, including worship, praise, thanksgiving, adoration, petition, intercession, lament, and confession in the Old Testament, on a book-by-book or corpus-by-corpus basis. The investigation follows a Biblical Theological approach, reading the Old Testament on a book-by-book basis in its final form to uncover the Old Testament's overarching theology of prayer, understanding the parts in relation to the whole. By doing this, the discrete nuances of the prayers of the different Old Testament books and corpora can be uncovered, letting the books and corpora speak for themselves. In addition, the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa. This book is of significant value to scholars. It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives. **The Prayers of the New Testament**

**Praying Like Jesus** Gary Holloway, 2000-10 *Praying Like Jesus: What the New Testament Teaches about Prayer* by Gary Holloway, 2000 **Into God's Presence** Richard N. Longenecker, 2001-10-17 The Christian life cannot be fully understood or experienced without first grasping the importance of prayer. Yet prayer, as it is found in the Christian scriptures, has received limited attention as a topic of study. *Into God's Presence* explores the nature and use of prayer throughout the entire New Testament. Written by twelve leading biblical scholars with diverse confessional perspectives, this insightful volume first discusses Christian prayer in relation to prayer in the Old Testament, the Greco-Roman world, first-century Judaism, and the Dead Sea Scrolls. The rest of the book takes an instructive look at prayer as it appears from Matthew to Revelation, with special attention given to Jesus as an exemplar and teacher of prayer. *New Testament Prayer for Everyone* Tom Wright, 2012-10-18 This helpful collection of Tom Wright's insights into the meaning and practice of prayer gives you all the accessible wisdom of the various New Testament prayers explored in his individual *For Everyone* commentaries. This convenient yet compact collection of explorations includes his own thoughtful translations and meditations on all the major prayers of the New Testament. **Prayer in the New Testament** Helen Doohan,Leonard Doohan,2016-10-07 In recent years Christians have increasingly turned to Scripture to nourish their prayer life Prayer in the New Testament focuses on biblical prayer seeing its intimate connection with contemporary spirituality and discovering models in the spiritual leaders of New Testament times The New Testament writers gave their communities understandings of prayer and its centrality for the person and community of faith Their complementary presentations help us catch a glimpse of the richness of prayer for the early community and rediscover its centrality for ourselves
