Would you like to get a grasp on what the Bible says about the end times and where we currently fit into end time chronology? Are you mystified by end time Bible prophecy? Are you confused by all the various end time viewpoints? Have you decided that end time prophecy is a subject appropriate only for seminary graduates? This book will clear up end time confusion. A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007. A Commentary on the Book of Revelation Volume 2. The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.
