## **Preach The Word A Pentecostal Approach:**

**Preach the Word** Aldwin Ragoonath, 2004      **Participation in the Pentecostal Liturgy** Ryan Davis, 2025-11-24 How can the prophethood of all believers reshape Pentecostal worship In *Participation in the Pentecostal Liturgy* T Ryan Davis PhD offers a bold vision where every believer is empowered to participate fully in the church's liturgy Rooted in the outpouring of the Spirit at Pentecost Davis develops a pneumatological ecclesiology that challenges traditional views of participation and redefines the altar as a space of shared transformation Through the concept of an altar hermeneutic this book invites Pentecostal communities to recover their egalitarian impulse and make room for all to actively take part in the church's community gatherings of worship

**The Mediation of the Spirit** Mark J. Cartledge, 2015-07-08 A noteworthy theology of the Holy Spirit that challenges current scholarship in the field How might a distinctively Pentecostal and charismatic theological perspective inform and enrich the discourse of academic practical theology In order to address that question Mark Cartledge in this book probes the relationship between Scripture experience and the Holy Spirit by means of the concept of mediation that is how the divine is experienced in the world An expert in both Pentecostal theology and practical theology Cartledge offers a unique intervention into practical theology through the lens of the Holy Spirit He presents an original reading of Pentecost and the Spirit reception texts in the book of Acts and engages with current literature in both Pentecostal studies and practical theology Further Cartledge places his whole discussion within a broader Protestant theological framework and he interrogates an existing congregational study to provide a real life example of theological intervention

*The Kerygmatic Spirit* Amos Yong, 2018-11-06 This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form style and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice *The Kerygmatic Spirit* argues that Spirit empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expositional practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large

basic theological rationale right through to the dynamics of live communication and its aftermath The books begins by reflecting on the nature and the context of preaching not least in a communications culture and moves on to setting a constructive agenda for the development of preaching as a core practice of the Christian church for the preacher the congregation and the wider church *Passover, Pentecost & Parousia* Steven Jack Land, Rick Dale Moore, John Christopher Thomas, 2010 Dr R Hollis Gause has been Professor of Theological and New Testament Studies at Lee University and the Church of God Theological Seminary in Cleveland Tennessee for many years and his huge contribution to Pentecostal scholarship is held in high regard internationally His influential life and ministry as well as his teaching and scholarship are here celebrated in his 85th year by many of his colleagues and former students Contributors are Contributions K E Alexander L R Martin R D Moore J M Beaty J A Adewuya J C Thomas K J Archer S E Han T L Johns D G Roebuck J P Bowers C Bridges Johns C R Cason M O McMahan D W Slocumb R E Waldrup **Pentecostal Evangel** ,1998 **Missiology** ,2007 An international review **The Imperial Bible-dictionary** Patrick Fairbairn, 1886 *The Sabbath Recorder* ,1931 Contemporary Themes in African Religion and Culture Udobata Onunwa, 2008 **Spiritual Power and Church Growth** C. Peter Wagner, 1986 **Clio in a Sacred Garb** Ogbu Kalu, 2008 Clio is the ancient Muse of History When dressed in a scared garb the muse performs for religious people and in this case for church historians The essays address the cutting edge of contemporary African church historiography and the process of appropriation of the gospel in the encounter with Christianity The essays contend that culture contacts as in the missionary movement involve configurations of power Thus culture conversion and civilizing mission are power concepts that dominated the relationship between white missionaries and Black Christians even after decolonialization The African context shaped by diverse cultures ecosystems worldviews and poverty explain the changing faces of Christianity Publisher Cover p 4 Imperial Bible Dictionary Patrick Fairbairn, 1887 The Western Christian Advocate ,1908 **Charisma and Christian Life** ,1999 **Christian Budget and News of the Day** ,1891 **The Homiletic quarterly [afterw.] magazine** Homiletic magazine, 1879 The Prayer Book Dictionary George Harford, Morley Stevenson, John Walton Tyrer, 1925 **Preach It!** Carol Tomlin, 2019-02-28 Studies of preaching and preaching style have up to this point focused almost exclusively on a western eurocentric understanding of good preaching Preach It encourages students both vocational and scholarly to look beyond these approaches and to learn from traditions with which they are less familiar The distinctive style and techniques that African Caribbean Pentecostal preachers have inherited has been shaped by historical political and socio economic factors impacting on black Caribbean people including clergy Using a variety of socio linguistic and theological approaches Preach It reflects on these techniques and outlines how preachers across church traditions might learn from them and use them in their own contexts
