Preaching Christ From The Old Testament A Contemporary Hermeneutical Method:

Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

Alttestamentliche Wissenschaft und kirchliche Praxis Manfred Oeming, 2009 **Preaching Christ from Ecclesiastes** Sidney Greidanus, 2010-05-03 As Sidney Greidanus points out here Ecclesiastes is especially relevant for our culture the Teacher confronts enticements like materialism secularism hedonism human autonomy and self sufficiency But how can preachers convey these important teachings to their congregations in a helpful way Sidney Greidanus here does preachers a great service by providing the foundations for one or more series of expository sermons on Ecclesiastes He breaks the book down in several ways including the boundaries of each preaching text the text's theme and goal various ways to move to Christ in the New Testament detailed exposition of the fifteen literary units and application for today

Preaching Christ from the Old Testament Sidney Greidanus, 2004 **Christocentric Preaching Meets the Historical Jesus** Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and

find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric Preaching Christ from the Old Testament ,2018 **The Evangelical Quarterly** ,2001

AICMAR Bulletin ,2005 **A Christocentric Interpretation of Hosea 1-3** Ryan David Saul,2023 Many hermeneutical approaches have been utilized to interpret the Old Testament in light of Christ throughout church history Sidney Greidanus in his Preaching Christ from the Old Testament has formulated a redemptive historical Christocentric hermeneutic that provides set criteria clearly defined terminology and a balanced approach to interpreting the Old Testament through the redemptive historical fulfillment of the New Testament For this reason I have chosen to apply Greidanus s seven ways of interpretation to Hosea 1 1 3 5 and analyze the selected preaching texts to determine if his methodology is affective Chapter 1 introduces the thesis of the study the difficulty of interpreting the Old Testament in light of the New Testament and Greidanus s methodology as a possible solution to the difficulty Chapter 2 outlines a survey of scholarship of hermeneutical methods used to interpret the Old Testament in light of the New Testament Chapter 3 includes a summary of Greidanus s methodology which is utilized in this study to analyze Hosea 1 3 Chapter 4 contains a structural outline for Hosea 1 1 3 5 and chapter 5 contains the preaching texts I will use throughout the study and the reasoning for dividing the text as I have demonstrated Chapter 6 observes the importance of identifying the historical context of the selected preaching text before providing interpretation and application to the text and the chapter highlights how I will proceed in overviewing contextual observations for each preaching text Chapters 7 10 analyze the selected preaching texts of Hosea 1 1 3 5 by overviewing the historical context of each preaching text and then by utilizing Greidanus s seven ways of interpreting the Old Testament in light of Christ Chapter 11 contains a critical analysis of Greidanus s hermeneutical methodology Chapter 12 concludes that Greidanus s methodology is biblically faithful to the text and it shows there are numerous ways to preach Christ throughout the dramatic narrative of Hosea and Gomer and through the prophetic message of judgement and hope to Israel Greidanus s methodology could be used to analyze the remainder of the book of Hosea and other books in the Old Testament **Subject Guide to Books in Print** ,2001 Chalcedon Report ,2002 Progressive Dispensationalism Ron J. Bigalke,2005-10-27 The first book of its kind Progressive Dispensationalism presents a comprehensive and collaborative look at the arguments against and the errors within the progressive dispensationalist movement The authors begin with a history of dispensationalism and then provide detailed examinations of sixteen key issues including the hermeneutics of progressive dispensationalism the relationship between covenants and dispensations the Abrahamic Land Davidic and New Covenants cessationism and the dangers of progressive dispensationalism to premillennial theology Written by pastors professors and Ph D s from across the country Progressive Dispensationalism will serve as a valuable resource for Bible students scholars and theologians navigating these complex issues **Concordia Theological Monthly** ,1966 **Elenchus of Biblica**
