Preaching From The Bible:

Preaching the Scriptures Joel K. T. Biwul, 2018-01-31 The African church needs preachers who preach the Scriptures to bring people to Christ and nurture them in the faith Yet many are failing at this task Some use their sermons to promote themselves rather than Christ while others do not know how to preach from the Scriptures In *Preaching the Scriptures* Dr Joel Biwul addresses these problems Using African stories and illustrations he clearly sets out the process of preparing and delivering a sermon that is rooted in the Scriptures He also provides sample sermons and outlines that will help preachers apply these principles in their own preaching preparation *Preaching from the Bible* Andrew W. Blackwood, 1941 *The Preaching of the Gospel* Karl Barth, 1963 The present work is primarily concerned with certain practical rules and suggestions about preaching which I still hold to be essential and worth considering or at least being read carefully and discussed Preface

The Four Pages of the Sermon Paul Scott Wilson, 1999 Doing justice to the complexity of the preaching task and the questions that underlie it Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two *The Dynamics of Biblical Preaching* Jonathan Lamb, 2016-09-30 The purpose of our lives is to know the God of the universe who made us and loves us It is this purpose that biblical preaching meets through explaining God's word Biblical preaching centres around proclaiming God's Word and preachers are to be mouthpieces for God as we encounter the living Christ through Scripture Jonathan Lamb illustrates the power of God's Word by focusing our attention on the heart task and purpose of preaching by leading us through Nehemiah 8 1 12 Reworked to benefit from the authors years of experience working alongside indigenous preaching movements around the world this book includes excellent resources for group studies preaching preparation and running a preachers group

Preaching That Comes Alive Maggie Low, 2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can

deliver a life giving word to the hearers

Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book
