M. Wollaston,2017-08-26      **The Essence** Brian N. Winslade,2020-03-23 The teaching of Jesus of Nazareth is unparalleled and universally acclaimed in the history of our world Born into relative obscurity and poverty no one has

impacted the world to the same extent as Jesus. Amidst all he said and did, his close friend Matthew, a former social outcast, captured his teaching delivered on a hillside just above the town where he lived overlooking the Sea of Galilee. The fifth, sixth, and seventh chapters of Matthew's Gospel, commonly referred to as the Sermon on the Mount, have been described as the essence of all that Jesus taught about God and how we relate with him. Every Christian and every preacher must wrestle with the words of Jesus given on a Galilean hillside. If a person grasped nothing else of the words Jesus spoke apart from that contained in the Sermon on the Mount, he or she catches the essence of his timeless message. This book unpacks the essence of Jesus' teaching and its remarkable application in our current age, a resource for individual Christ followers, preachers, and a discussion starter for small groups.

**The Teaching of Jesus** George Jackson, 2009-11-01 Whether you're a true believer, a dyed-in-the-wool skeptic, a student of world religions, or somewhere in between, your understanding and appreciation of Christian belief and theology will deepen with a reading of *The Teaching of Jesus*. The text focuses on Christ's words and deeds as recounted in the New Testament, and renowned theologian George Jackson adds plenty of his own fascinating insight and analysis to the mix.

**Whispering the Lyrics** Thomas Long, 1995 Based on texts from the Revised Common and Catholic lectionaries, Thomas Long provides inspirational messages to motivate and help preachers through their most difficult preaching time of the year: the seasons of Lent and Easter. The road to Easter takes us through the most sacred stretch of the gospel story, and the narratives simply overwhelm us. Congregations who blithely assume that their pastor eagerly relishes the chance to preach the passion and resurrection of Jesus are for the most part mistaken. To be sure, the pews are more crowded as Easter approaches, the choirs are well rehearsed and in full voice, and an electric charge courses through the sanctuary, but the preacher stands there with the obligation to proclaim the truths of Jesus' death and resurrection, and it seems at one and the same time to be a set of claims too little to go on in a secular and cynical age and a range of mysteries too profound to speak from. In his foreword, Thomas Long is Francis Landey Patton, Professor of Preaching and Worship at Princeton Theological Seminary, and is one of the most well-known teachers of preachers in America. This is his second book published by CSS.

This volume is composed of a compilation of sermons and in-depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another.
