Sermons**

Preaching Stewardship

Craig A. Satterlee

Preaching Stewardship:

The Stewardship Companion: Lectionary Resources for Preaching William H. Willimon, David N. Mosser, 2007

Speaking of Stewardship Carter, 1998-01-01 This collection of twenty three superb model sermons offers a wealth of biblical insight practical wisdom illustrations inspiration and helpful advice about the crucial themes of stewardship giving and the use of money and possessions in the church Featured are sermons by active pastors in churches large and small as well as internationally known preaching professors Fred Craddock Thomas Troeger and Charles Rice *Stewardship Preaching* Mark Gravrock, 1984-06 **Kairos Preaching** David Schnasa Jacobsen, Robert Allen Kelly, Although lectionary and worship allow us to deepen our appreciation for the Bible and the themes and emphases of the Christian calendar they sometimes fail to allow preachers to speak the gospel directly to the situations that occupy their congregations This book is designed to help pastors and seminarians discover resources they already have to unpack situations and understand them theologically in light of their task of preaching the gospel **Dein Reich komme** Rosemarie Freundorfer, 2004

Preaching and Stewardship Craig A. Satterlee, 2011-06-29 Both new and veteran preachers alike find the annual stewardship sermon a challenge and are eager for encouraging practical advice In *Preaching and Stewardship* Craig Satterlee offers a nuts and bolts handbook on preaching stewardship raising issues preachers need to consider when preparing stewardship sermons and offering advice on how to address them Satterlee argues that stewardship preaching must include a bold and concrete proclamation of God's love will and justice as well as an invitation to grow as stewards in response to this proclamation He focuses each chapter on a question preachers ought to ask themselves as they prepare the stewardship sermon beginning with What do you mean by stewardship and Why should we give to the church In chapters 3 through 6 he explores what the Bible says about stewardship In chapter 7 he names some of the assumptions both preachers and worshipers bring to the stewardship sermon The final chapter a variety of ways congregations can support the stewardship sermon Satterlee illustrates the premise of each chapter with anecdotes from congregational life Preachers who desire examples of stewardship sermons will especially appreciate stewardship sermons he shares from various preachers to illustrate points in the main text *Preaching to People in Pain* Matthew D. Kim, 2021-05-18 Offering an important corrective to a pain averse culture that celebrates individualism and success veteran preacher and teacher Matthew Kim encourages pastors to preach on the painful issues their congregations face Through vulnerability and self disclosure pastors can help their congregants share their suffering in community for the purpose of healing and transformation The book includes stories shares relevant Scripture texts imparting biblical wisdom and offers best practices for preaching on specific topics Each chapter ends with discussion questions and a sample sermon *A Sourcebook for Stewardship Sermons* James E. Carter, 1979 **Faithful Stewardship and Other Sermons** Arthur Henry Stanton, 1916 *Faithful stewardship, a charge* Charles Garrett, 1883 **Studies in Stewardship** Ralph Spaulding Cushman, 1918 **The Pulpit**, 1955

Environmental Stewardship Mary Ann Beavis, University of Winnipeg. Institute of Urban Studies, 1994 Proceedings of the workshop covering the theoretical side of stewardship from the historical theological ecofeminist and Aboriginal standpoints the relevance of stewardship in federal aquatic management policy local environmental awareness action programs watershed management initiatives and indigenous knowledge systems A case study of the Red River watershed was addressed The Stewardship of Life in the Kingdom of Death Douglas John Hall, 1988 This study forcefully sets forth the church's crucial mission of stewardship in our world today Hall outlines a biblical view of what it means to be partners in God's covenant of life in the context of a darkening kingdom of death The Preacher's Analyst, 1877 **Growth Through Biblical Stewardship** Johnny James Turner, 1985-12 The Abingdon Guide to Funding Ministry Donald W. Joiner, Norma Wimberly, 1997-04 Proclaiming the Joy of Giving is the focus of Volume 3 of the Abingdon Guide to Funding Ministry offering tips that help church leaders talk about money with biblical authority and inspire church members to live faithfully **The Missionary Review of the World**, 1939 **The Abingdon Preaching Annual 2007** David N. Mosser, 2006-03 Pastors and other preachers have long turned to The Abingdon Preaching Annual for help with one of the central tasks of their ministry sermon preparation The 2007 edition of the Annual continues this fine tradition with lectionary based sermons for each Sunday and special liturgical event of the year a total of 16 topical sermon series on such diverse themes as forgiveness baptism relation of church and state and biblical leadership a collection of classical prayers classical and contemporary affirmations of faith services for special times in the life of the church and two classical sermons BOOK JACKET
Christian Advocate, 1972
