Preaching About Death:

Preaching about Death Alton M. Motter, 1975-01-01 *Sermons on death and eternity* Thomas Mortimer, 1834

Grieving with Hope Albín Masarik, 2017-12-31 In this well researched work Dr Alb n Masarik explores various features of funeral sermons arising from their unique context and homiletic process While funeral sermons are an important element in pastoral care of churches and the wider community theological reflection of this weighty responsibility can be hard to find Addressing the definition of a funeral sermon their categorization purpose and context this book brings clarity to inform the exercise of preaching a funeral sermon and help pastors and theologians grapple with how to best shepherd their flock and exalt our Saviour in the midst of bereavement **Classic Sermons on Death and Dying** Warren W. Wiersbe, 2000 Warren

Wiersbe has compiled meaningful sermons from the church s great preachers in this topical series Filled with illustrative materials for pastors Also an excellent resource for personal devotions The Christian's Triumph Over Death Job

Orton, 1752 *Matter of Life and Death* Charles Hoffacker, 2003-04-25 With the sensitivity born of time and experience Charles Hoffacker presents an unusually warm and caring approach to preaching at a pivotal transition in human life one which goes to the very heart of the Good News of Jesus Christ Hoffacker teaches the reader whether a seasoned preacher or a novice homilist to find the key to unlocking the mystery of Jesus promise of eternal life in a mortal life now ended

Preaching Death Lucy Bregman, 2011 Christians traditionally have had something substantive and important to say about death and afterlife Yet the language and imagery used in sermons about life and death have given way to language designed to comfort and celebrate In *Preaching Death* Lucy Bregman tracks the changes in Protestant American funerals over the last one hundred years Early twentieth century natural immortality doctrinal funeral sermons transitioned to an era of silence and denial eventually becoming expressive biographical tributes to the deceased The contemporary death awareness movement with the death as a natural event perspective has widely impacted American culture affecting health care education and psychotherapy and creating new professions such as hospice nurse and grief counselor Bregman questions whether this transition which occurred unobserved and without conflict was inevitable and what alternative paths could have been chosen In tracing this unique story she reveals how Americans comprehension of death shifted in the last century and why we must find ways to move beyond it **Preaching Must Die!** Jacob D. Myers, 2017-10-18 The real

question for homiletics in our increasingly postmodern post Christian contexts is not how we are going to prevent preaching from dying but how we are going to help it die a good death Preaching was not made to live At most preaching is a witness a sign a crimson X marking a demolition site The church has developed sophisticated technologies in modernity to give preaching the semblance of life belying the truth preaching was born under a death sentence It was born to die Only when preaching embraces its own death is it able to live This book then is a bold homiletical manifesto against preaching in support of preaching and beyond preaching to the entire worship experience It troubles modern homiletical theologies in

light of the trouble always already at work within preaching Hereby it supports a way of preaching and teaching preaching that moves counter to the wisdom of this world It aims to joins in God s self revealed counterlogic of superabundance that saturates and thereby breaks open worldly systems of thought and practice The purpose of this book is to expose preaching to its own death to help it embrace its death so that it can discover what eternal and abundant life might look and feels like

Charles Spurgeon,2021-04-23 A never before released volume from the Prince of Preachers on Death and the Hope of Heaven and the Resurrection O Death Where Is Your Sting shares six comforting and powerful sermons on death by Charles H Spurgeon the Prince of Preachers to lift your eyes from the vanity and hopelessness of this world to the eternal hope all believers have in Jesus Christ Death brings much pain and sorrow but take heart that The Believer s Deathday Better Than His Birthday and the deaths of God s people are Precious Deaths because they mark the day of our heavenly homegoing Spurgeon s Scripture saturated preaching has lifted grieving souls for generations I hope this new volume of classic sermons will do the same for you whether you consider the fate that will come upon us all grieve the loss of a loved one or walk through the valley of the shadow of death yourself Eye has not seen nor ear heard neither have entered into the heart of man the things which God has prepared for them that love him 1 Corinthians 2 9 Table of Contents Why They Leave Us Precious Deaths The Believer s Deathday Better Than His Birthday Resurgam I Shall Rise Again No Tears in Heaven Heavenly Rest One review of Knowing the Holy Spirit another title in the Rich Theology Made Accessible Series said this The mastery and attention grabbing detail that these sermons contain should lead even the most seasoned believer to cry out to God for a deeper and deeper understand of the Spirit and His work and also to examine our own lives and understanding Biblical Preaching on the Death of Jesus William A. Beardslee,David J. Lull,1989 **Preaching on Death** Virginia Sloyan,Blair Gilmer Meeks,Hilary Hayden,1997 **Dem Dry Bones** Luke A. Powery,2012-12-01 In an age when the so called prosperity gospel holds sway in many Christian communities or the good news of Christ is reduced to feel good bromides it would seem that death has little place in contemporary preaching Embracing the vision of the valley of dry bones in Ezekiel 37 as a metaphor for preaching in the Spirit acclaimed homiletician Luke Powery asserts that death is the context for all preaching In fact the Spirit leads preachers to the context of death each Sunday in order to proclaim a word of life that ultimately breathes hope into people s lives Yet many preachers avoid death because they are at a loss of what to say about it and do not realize its vital connection to the substance of Christian hope As a result the church is too often left with sermons that are fundamentally devoid of hope Dem Dry Bones aims to remedy some of the theological and homiletical shortcomings in contemporary preaching by looking closely at the African American spirituals tradition Through this study Powery demonstrates how to preach in the Spirit so that proclaiming death becomes an avenue toward hope In short no death no hope A Course of Sermons, Upon Death, Judgment, Heaven, and Hell John Whitaker,1783 The Importance of Being Ready for Death, Stated & Enforced John Carter,1803 Preaching on Death James M. Stanton,1975 **Sermons**
