Preaching Autobiography Confronting Two Worlds:

The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 6 Hughes Oliphant Old, 2007 *The Reading and Preaching of the Scriptures in the Worship of the Christian Church* is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 *The Biblical Period* Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen **Forthcoming Books** Rose Arny, 2001-06 Commentary on the Holy Bible by the Rev. Matthew Henry. With Memoirs of His Life, Character, and Writings, by Sir J. Bickerton Williams, and an Introductory Essay by the Rev. John Stoughton. Illustrated, Etc. Plant, 1995 In a ground breaking study of Zora Neale Hurston Deborah Plant takes issue with current notions of Hurston as a feminist and earlier impressions of her as an intellectual lightweight who disregarded serious issues of race in American culture Instead Plant calls Hurston a writer of resistance who challenged the politics of domination both in her life and in her work One of the great geniuses of the Harlem Renaissance Hurston stands out as a strong voice for African American women Her anthropological inquiries as well as her evocative prose provide today's readers with a rich history of African American folk culture a folk culture through which Hurston expressed her personal and political strategy of resistance and self empowerment Through readings of Hurston's fiction and autobiographical writings Plant offers one of the first book length discussions of Hurston's personal philosophy of individualism and self reliance From a discussion of Hurston's preacher father and influential mother whose guiding philosophy is reflected in the title of this book to the influence of Spinoza and Nietzsche Plant puts into perspective the driving forces behind Hurston's powerful prose God's Salesman Carol V.R. George, 2019-02-21 When Donald Trump was married to his first wife Ivana Ivana Zelnickov in 1977 the family minister who officiated the wedding was the preacher and author of *The Power of Positive Thinking* Norman Vincent Peale Perhaps more than any other figure in American public life in the last decade Donald Trump has been able to reimagine Peale's message of positive thinking to his political advantage I never think of the negative he said after the opening of Trump Tower in 1983 Both Trump and Peale have appealed to people who like themselves have felt marginalized by an intellectual and cultural elite Peale's 1952 book which helped to drive the religious revival of the 1950s remains a perennial bestseller and has affected the lives of a vast public in the United States and around the world In *God's Salesman*

Carol V R George used interviews with Peale himself as well as exclusive access to his manuscript collection to provide the first full length scholarly account of Peale and his highly visible career George explores the evolution of Peale s message of Practical Christianity the belief that when positive thinking was combined with affirmative prayer the technique of imaging and purposeful action the result was a changed life It was a message with special appeal for many in the post War middle class struggling to rebuild their lives and have a voice in society George examines the formative influences on Peale s thinking especially his devout Methodist parents his early exposure to and then enthusiastic acceptance of Ralph Waldo Emerson and William James and his almost instinctive attraction to evangelicalism particularly as it was manifested politically Twenty five years after its initial publication and with a new foreword by Kate Bowler God s Salesman remains a timely portrait of the man and his movement and the vital role that both played in the rethinking and restructuring of American religious life over the last seventy years
