Preaching From The Prophets:

Loving God and Disturbing Men Donald A. Leggett, 2003 *Loving God and Disturbing Men* is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works. Its unique strength lies in the author's ability to show the relevance of the prophets for the contemporary church and its ministry. Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides. But equally important, the author demonstrates that what the prophets said about God, evil, repentance, history, social justice, and eschatology has the ring of immediacy for us. Moreover, the study is helpful in treating the lives of the prophets as models of spirituality in prayer, suffering, and preaching. While the book is primarily for those who preach from the prophets, it is suitable for a much wider audience. A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation. Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause. It is a pleasure to commend this work. Walter C. Kaiser Jr. Here is a pump primer and launch pad for preachers. Dr. Leggett's aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen. I appreciate this book for I think it will do its job. And the job is an important one. J. I. Packer. Donald A. Leggett, Th.D., Free University Amsterdam, is Professor Emeritus of Old Testament at Tyndale University College and Seminary in Toronto, Ontario. For 25 years he also served as a pastor and elder at Village Green Baptist Church in London, Ontario.

Preaching from the Prophets James Merrill Ward, Christine Ward, 1995. A theological guide to biblical preaching from a prophetic text. *Preaching from the Prophets* invites preachers to look with imagination at the possibilities of prophetic preaching today. James and Christine Ward show how to choose text and develop sermons that address racism, ecology, and other major ethical issues of our time. From publisher's description.

Preaching Like the Prophets Robert A. Carlson, 2017-02-08. The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching. Too often the prophets are misunderstood as focusing on future or social justice issues. This book shows that the prophets are essentially preachers, very good ones whom we must learn from. By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature, this book shows that the prophets preached the way that we ought to preach. It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher. We can benefit not only from what the prophets say but how they say it. By seeing how the prophets grab and keep their listeners, how they enhance clarity and relevancy, how they make truth come alive, and how they persevere in their ministry, you too can learn to preach like the prophets.

Preaching from the Prophets Kyle Monroe Yates, 1942. Intimate glimpses into political, social, and religious backgrounds help the reader get better acquainted with eighteen great prophets. Then, for each prophet, the author discusses the literary qualities and the profound spiritual values of the prophetic writings.

Interpreting the Prophets Aaron

Chalmers,2015-01-15 The prophetic books are some of the most captivating and fascinating texts of the Old Testament They are also some of the most misunderstood This book equips the reader with the knowledge and skills they need to interpret the Prophets in a faithful and accurate fashion Aaron Chalmers leads the reader through the various worlds of Israel s prophets historical social theological and rhetorical providing the basic contextual and background information needed both for sound and sensible exegesis and for sensitive interpretation and application to today The book concludes with a helpful chapter giving guidelines for preaching from the Prophets including advice on choosing the texts identifying appropriate analogies and the potential problems and common pitfalls to avoid **Prophetic Preaching** Leonora Tubbs

Tisdale,2010-08-09 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale s work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake **Preaching from the Minor Prophets** Elizabeth

The Prophets as Preachers Gary V. Smith,1998-09-01 Designed for use in upper level college courses and seminary courses on the prophets **Major Messages from Minor Prophets** Jeffrey A. Ingraham,2021-06-21 During the early part of 2019 our Sunday school lessons centered on the Old Testament prophets particularly the minor prophets It was a great challenge to understand their messages and the messages relevancy for our times It seemed as if there really were no significant differences in these books of prophecy as the minor prophets all seemed to be saying the same thing Of course there are differences in the messages and ministries of the minor prophets hence my attempt to show so My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019 My goal was to make the teachings of the minor prophets understandable to every segment of our membership The approach was more inspirational than overly scholarly Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject The intent was to reference something that the reader could relate to and see how the prophet addresses that matter Of course not every single detail of the prophet s message is included due to the constraints of time etc My hope is that the readers of this book will come to know God better and to have a relationship with him They will see that in spite of people s imperfections our God is perfect and faithful toward us The minor prophets challenge us to live faithfully for God To the extent I have been able to evoke this kind of response from my readers I give all glory and honor to God

books play a key role in revealing God's plan of salvation. They occupy a significant portion of the biblical canon similar in size to the entire New Testament. Yet most believers stay clear of this part of Scripture. They avoid traveling through this forest of oracles and visions. Many preachers also struggle to navigate this unfamiliar territory. Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books. The church however needs to hear and respond to the beauty, depth, and relevance of the prophetic message. This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers, small group leaders, youth workers, etc. to communicate the message of the prophets with hermeneutical precision, theological depth, genre sensitivity, and pastoral pulse. This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word.

Women Preachers and Prophets through Two Millennia of Christianity Beverly Mayne Kienzle, Pamela J. Walker, 2023-09-01

For nearly two millennia despite repeated prohibitions, Christian women have preached. Some have preached in official settings; others have found alternative routes for expression. Prophecy, teaching, writing, and song have all filled a broad definition of preaching. This anthology, with essays by an international group of scholars from several disciplines, investigates the diverse voices of Christian women who claimed the authority to preach and prophesy. The contributors examine the centuries of arguments grounded in Pauline injunctions against women's public speech and the different ways women from the early years of the church through the twentieth century have nonetheless exercised religious leadership in their communities. Some of them based their authority solely on divine inspiration; others were authorized by independent-minded communities; a few were even recognized by the church hierarchy. With its lively accounts of women preachers and prophets in the Christian tradition, this exceptionally well-documented collection will interest scholars and general readers alike.

Preaching Prophetic Care Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25

Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation, often angrily, with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty-seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry, practical theology, and theological education more broadly as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical

theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today s social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice With contributions from Donna Allen L Susan Bond Teresa Fry Brown Gennifer Brooks Teresa Eisenlohr Anna Carter Florence Kenyatta Gilbert R Mark Giuliano David Schnasa Jacobsen John McClure Mary Elizabeth Moore Mary Alice Mulligan Debra Mumford Peter Paris Luke Powery Shelly Rambo Lee Ramsey Robert London Smith Amy Steele Frank A Thomas Lisa Thompson Scott Williamson Sunggu Yang Ted A Smith William B McClain **Interpreting the Prophets** James Luther Mays, Paul J.
