SERIES: **NEW LIFE FOR YOU**

SUBJECT: **The Source of the New Life**

READING: **John 10:1-11**

TEXT: **“The thief cometh not but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly” (10:10).**

Introduction

“Life” is the key word throughout the Gospel of John, occurring 34 times or more. The purpose for which Christ came into this world was to bring life, a life “more abundant.” In fact, He declared Himself to be the source of this new life. He spoke of:

- I. *The Enemies of this New Life in Christ (10:10)***
 - 1) The Enemies are Deceptive in their Methods (10:1)
 - 2) The Enemies are Defective in their Message (10:5)
 - 3) The Enemies are Destructive in their Motives (10:10)
- II. *The Certainties of this New Life in Christ (10:10)***
 - 1) This New Life in Christ is Historically Observable (10:10)
 - 2) This New Life in Christ is Dynamically Obtainable (10:10)
- III. *The Qualities of this New Life in Christ (10:10-11)***
 - 1) It is a New Life which is Appealing (10:10)
 - 2) It is a New Life which is Abounding (10:10)
 - 3) It is a New Life which is Abiding (10:10)

Conclusion

To reject Christ is to reject life, and to reject life is to perish eternally.

Preaching Without Notes Prof. Joseph M. Webb,2010-09-01 In this important book Webb makes two central claims First that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation Preachers can learn the practices and disciplines that make it possible to deliver articulate thoughtfully crafted sermons not from a written page but as a natural spontaneous act of oral communication Throughout the book the author offers specific examples including a transcript of a sermon preached without manuscript or notes Second that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news **The**

Sermons of Charles Wesley Charles Wesley,Kenneth G. C. Newport,2001 Charles Wesley 1707 1788 is widely recognized as one of the greatest writers of the English hymn The importance of Charles however extends well beyond his undoubted poetic abilities for he is a figure of central importance in the context of the birth and early growth of Methodism a movement which today has a worldwide presence It was Charles and not John who first started the Oxford Holy Club from which the ethos and structures of organised Methodism were eventually to emerge It was Charles rather than John who first experienced the strange warming of the heart that characterised the experience of many eighteenth century evangelicals and in the early years it was Charles no less than John who sought to spread mainly through his preaching the evangelical

message across England Wales and Ireland Eye witness testimony suggests that Charles was a powerful and effective preacher whose homiletic work and skill did much to establish and further the early Methodist cause In this book this other side of Charles Wesley is brought clearly into focus through the publication for the first time of all of the known Charles Wesley sermon texts In the four substantial introductory chapters a case is made for the inclusion of the 23 sermons here presented and there is discussion also of the significant text critical problems that have been negotiated in the production of this volume Other chapters present a summary of Charles s life and preaching career and seek to show by example how the sermons no less than the hymns are significant vehicles for the transmission of Charles s message This book hence makes a plea for a reassessment of the place of Charles Wesley in English Church history and argues that he deserves to be recognised as more than just The Sweet Singer of Methodism
